Are the most effective and congenial purgative ever discovered. They are mild, but effectual in their operation, moving the bowels surely and without pair Although gentle in their operation, most thorough and

searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health. AYER'S PILLS have been known for

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range cap rarely withstand or evade them. Not only do they cure the every-day complaints of every-body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it and strengthen the system by freeing from the elements of weakness.

from the elements of weakness.

Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity. PREPARED BY

Dr. J. G. AYER & CO., Lowell, Mass., Practical and Analytical Chemists.

Every year increases the populari y of this valuable Hair Preparation; thich is due to merit rlone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring Gray of Faded Hair to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. • In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HAIR DRESSING ever used. as it requires fever applications, and gives the hair: splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of M. sachusetts, says, "The constituents are pure, and carcfully selected for excellent quali and I consider it the BEST PREPA-RATION for its intended purposes." Sold by all Druggists, and Dealers in Medicines
Price One Dollar.

FOR THE WHISKERS. As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in one preparation; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents. Manufactured by R. P. HALL & CO., NASHUA, N.H.

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable healthy, and eftual for preserving the hair. Faded or gray hair is soon restored to its original color.

with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Noth. ing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a
