How to get a pure white loaf

THE object of all expert bakers and cooks is to make a pure white loaf. And this object is attained by the use of

PURITY FLOUR

Purity is a hard-wheat flour of decidedly superior whiteness. It bakes into a pure white loaf. So, you see, to get the really beautiful white loaf you must use PURITY hard-wheat flour.

SOCIALISM

We have read with some interest the articles in "Cotton's Weekly." We have the friendliness to believe that this man is sincere, but apparently he has not met the loafer.

A sailor sitting in a very melancholy mood, was asked by his captain: "What's the matter Jack?" "Oh! the world is badly divided." "How?" "Well I think all the money ought to be put in a bag shook up and divided equally." "But you would go ashore, and loaf till your's was spent." "Well," said Jack, "bag it up and shake it up again."

It looks seriously as though we would have a good many "Jacks" under the system advocated by "Cotton's Weekly."

WOES OF WOMANHOOD

Weakness and suffering banished by Dr. Williams' Pink Pills.

Dr. Williams' Pink Pills are good for men and women, and growing girls, but they are good in a special way for women. At special times a woman needs a medicine to enrich and regulate her blood supply, or her life will be one round of suffering. That is when Dr. Williams' Pink Pills are worth their weight in gold, for they actually make new blood. There is not a month in her life from fifteen to fifty that Dr. Williams' Pink Pills are not a boon to every woman. They help the growing girl safely over the critical time when her blood is overtaxed by new demands. To the woman of middle life they bring relief and bring her strength for her time of change. And during the thirty odd years that lie between Dr. Williams' Pink Pills fill a woman's life with the happiness of health, giving her strength and energy for every function. A woman's surest protection against all the ills that come to her because of her sex, is to set her blood right at once by a course of Dr. Williams' Pink Pills—and then to keep the blood right by taking the Pills occasionally. Mrs. Eliza Clouthier, St. Jerome, Que., is one of the many unfortunate sufferers restored to health by Dr. Williams' Pink Pills. She says: "It would be difficult for me to say—how much I suffered. I was tormented by headaches and backaches; my appetite failed and I wasted away to such an extent that I was unable to do housework. I was constantly taking medicine, but it did not help me any. One day a friend urged me to try Dr. Williams' Pink Pills, and I procured a couple of boxes. By the time these were done I felt some improvement, and thus encouraged I continued the use of the Pills, gaining strength day by day, until after I had taken six or seven boxes. I was again well and strong, and I have since continued in the best of health. I can strongly recommend these Pills to all weak and ailing women."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

ADDITIONAL BUOYS FOR RIVER

A desirable improvement on the Miramichi has been the placing of several additional buoys at various points. A great aid to navigation will result from the recent steps of the Marine department. There will be a total of sixteen buoys between Newcastle and Redbank. In a few instances, larger buoys have replaced the small ones. The superintending of the work was placed in Mr. John Russell's hands. William Bryenton has the contract for the work on the north west branch, where four new buoys will be installed. Six buoys were placed by Mr. Russell between here and the North West Bridge. There have been nine buoys placed on the south west branch.

BRIDGES ARE NOW LIGHTED

Both the North West and Redbank bridges have been lighted at last. Hon. John Morrissey has placed large reflecting lanterns on both structures. On the North West bridge seven lanterns have been placed while four lights have been erected on the Redbank bridge. It is now possible to see clearly from one side of the bridge to the other. There had been a proposition to light the bridges with electricity and the necessary equipment had been procured by the town council, but the work was not proceeded with. The Commissioner of Public Works decided to light the bridges on behalf of the provincial government.

THE EMPIRE'S SORROW
By Rev. W. J. Dean.

[Opening part of Address at Memorial service in St. James' Church, Newcastle, N. B., May 20, 1910.]
Softly! the king has passed within the veil;
A king whose honest heart did never fail.
To give the sympathies of England's throne
To poorest peasant of the humblest home.
Meanwhile the Empire mourns the loss of one
Whose labors ended not with setting sun;
Who spent himself for universal peace,
And strove with kings that arts of war might cease.
Power to-day, because he silent lies,
Are all Dominions where the old flag flies;
Power to-day the Earth's vast continents;
The world has lost a bulwark of defence.
A mother-queen sits sorrowful to-day;
From sea to sea her faithful sons shall pray
That He, who notes the lowly sparrow's fall
May comfort give whose mourning nations call.
Another hand the Empire's sceptre sways,
And for him, too, a loyal people prays
That he, a worthy son of worthy sire,
May be endowed with hallowed kingly fire.

SEALED TENDERS addressed to the undersigned, and endorsed "Tender for Extension to Wharf at Miscou, N. B." will be received at this office until 5.00 P. M., Friday, June 3, 1910, for the construction of an Extension to the Wharf at Miscou, Gloucester County, N. B.

Plans, specification and form of contract can be seen and forms of tender obtained at this Department and at the office of E. T. F. Stevens, Esq., District Engineer, St. John, N. B.; Geoffrey Stead, Esq., District Engineer, Chatham, N. B., and on application to the Postmaster at Miscou, N. B.

Persons tendering are notified that tenders will not be considered unless made on the printed forms supplied, and signed with their actual signatures with their occupations and places of residence. In the case of firms, the actual signature, the nature of the occupation and place of residence of each member of the firm must be given.

Each tender must be accompanied by an accepted cheque on a chartered bank, made payable to the order of the Honorable the Minister of Public Works, for the sum of nineteen hundred (\$1,900.00) dollars.

The cheque will be forfeited if the person tendering declines to enter into a contract within eight days, or fails to complete the work contracted for. If the tender is not accepted the cheque will be returned.

The Department does not bind itself to accept the lowest or any tender.
