There was never an entertainment yet that didn't find some one to criticize it; there never was a public man that some one didn't try to stab under the fifth rib; there never was a cause that did not have its opponent; and there is only one Sallows Studio in Goderich where satisfaction is guaranteed in every line. See it, believe it, and see.

Saunders & Son says: Look at our advertisement in this paper, and don't believe our competitors, when they tell you we are going out of wall paper. We never said so, and the fact that we have just entered 4000 rolls through the Customs gives the lie to the statement. Our patterns have never been so low and prices never lower. Call and see samples and be convinced. The cheapest value under the sun.

"People Will Have It."

The wonderful healing and soothing properties of Lumsden & Wilson's Royal Glyster Balm of Fir are the secret of success. Coughs, Colds, Sore Throats, Asthma, Whooping Cough and Insect Consumption (cure) give way to its curative power. Nothing but the superior quality of the ingredients creates the demand for it from all parts of the Province, which has been extended to the United States. Why? Because every person who has used it speaks well of it. Druggists sell it. Price 50 cts. per bottle.

Remember Dr. Uzo's sermon next Sunday evening, at Knox church, on "How the Sabbath should be observed." From the fact that there is in some quarters a growing hearty and wide difference of opinion as to the manner of its observance, no doubt the Doctor's pronouncement will be listened to with great interest.

We would direct the attention of the authorities to the "large quantities of garbage, etc., that is being dumped along the river and harbor front. The deposits of this nature done at the Widder and McDermott property, and near the jail is disgraceful, and efforts should be made to have the nuisance stopped at once.

McKenzie, and have fitted up the premises and added to the stock so as to be in a position to fill the requirements of the trade. ST. PATRICK'S CONCERT.—A large audience attended at the St. Patrick's concert on Monday evening. The piece of the evening was "Ave Maria," sung by Miss Adelaide Chilton to the accompaniment of the piano and violin. This young lady's voice is pleasant and musical, and she has the faculty of putting in expression without apparent effort. The Strathford quartette did not come up to the expectations of many. This was partly attributable to nervousness, no doubt induced by the misbehavior of a number of boys, and some of larger growth who, during the performance helped to throw a damper upon every one of the singers and players. Mr. Reynolds was not in his usual good form, but notwithstanding a severe cold he carried out his part of the program in careful and pleasing fashion.
