Terra Novas Win From Victorias.

The Terra Novas defeated the Victorias last evening by four goals to one. There was a small attendance of onlookers, very little enthusiasm and a poor exhibition of hockey. The players were:—

THE GAME.
Opening at a lazy pace, both sides satiated at give and take play, and off-side play was much in evidence. The Vics. broke the monotony with a fast rush and came within an ace of scoring. Duley barely hooking the rubber clear of the danger zone in the nick of time. The Terra Novas then got in some combination work, the best for the evening, resulting in Trappell beating Hunt. That was all the scoring done for the first period.

After having the usual five minutes rest the Terra Novas displayed better work. By clever combination Trappell notched up the third goal. The Victorias endeavoured to save themselves from being whitewashed and made several dashes but without avail. The Terra Novas combined well and made some fast runs which were frustrated. At last Trappell secured an opening and landed the third goal.

On resuming the black and whites pressed hard. M. Stick controlled the puck, passed all opponents and recorded the fourth and last goal for his team.

A few minutes before full time elapsed Lilly, during a mix-up, scored the one and only goal for his team and the game ended thus: Terra Novas, 4 goals; Victorias, 1.

Officials: Mr. G. Herder, referee; Messrs. N. J. Vinnicombe, J. Carmichael and A. White, Timekeepers; Messrs. F. Jerrett and L. Munn, goal-judges.

MR. CUSTOMER,—
Probably you've economised by doing without your usual suit and overcoat during Fall of 1914. Are you going to have that down-and-out look in Spring 1915? The Allies have millions of men on the firing line, each requiring thirteen pounds of wool every six or eight weeks. The British Government are keeping British Mills turning out army contracts.
Spring quotations for woollens are sky high. We have on hand a particularly fine range of Serges, Tweed Suitings and Overcoatings. Order now as you will have to pay considerably higher in the Spring.
