THE SINGER SEWING MACHINE CO.

beg to announce to their numerous patrons that they have recently installed a machine for hemstitching and picot edging. This work has become very popular throughout the United States and Canada, and the numerous requests that we have received for this class of work from St. John's, Nfld., has caused us to install the above machine. This work is done at a very reasonable rate and should prove a great benefit to the dressmakers of the city. Any person requiring hemstitching done will find it to their advantage to call at our shop at 339 Duckworth Street, where our Demonstrator will be pleased to show them the work that can be done on this machine and explain to them the prices charged for the various class of work.

Singer Sewing Machine Co., may18,21 339 Duckworth St.

NOTICE TO PROPERTY OWNERS!

Do not leave the repairs to your Walls, Slate Roofs or Chimney Tops until too late in the year, as our season is all too short for this class of work.

If you contemplate doing any work in our line, either in repairing your present buildings or in the erection of new ones, you will do well to consult us. We will be prepared to let you have the benefit of our experience and will guarantee entire satisfaction both in workmanship and charges. Any enquiries or instructions sent per Phone 479A will be forwarded to us promptly.
