diction that the Govt. would have four members for Winnipeg and would carry the two deferred elections in the North.

(Cheers)"

### DEMOCRATS STRIPPED FOR ACTION.

SAN FRANCISCO, June 30. Stripped for action the Democratic National Convention to-day swung into business of selecting a Presidential nominee. At the eleventh hour friends of Wm. G. McAdoo abandoned the efforts to prevent his being placed in formal nomination. Both the Cox and Palmer forces viewed with evident satisfaction the scrimmage within the McAdoo forces, which was threatening to bring McAdoo to the front at once and make the nomination a three cornered contest from the beginning. Despite the promise that the convention would have a big three at the outset, dark horse talk was never more persistent than it is at the moment the candidates are about to be placed in nomination.

Plans submitted by the St. John's Abattoir Co., Ltd., to erect an Abattoir, Water St. East, were passed.

Reports of the City Engineer, Plumbing Inspector and other Departmental Heads were read.

Pay rolls and bills submitted were ordered paid.

The business before the meeting being disposed of and this being the final meeting of the Council, Councillor Mully took occasion to refer to the good work done by Mr. Gosling since his connection with the City Council, both as Chairman of the late Board of Commissioners and recently as Mayor. Of the great amount of time he had given to the service of the city in promoting its interests and the many improvements inaugurated during his tenure of office, Councillors Ayre, Morris and Vincombe endorsed the remarks of Councillor Mully and assured the Mayor of their pleasure in being associated with him during the past few years in the carrying out of the civic administration.

The Mayor replied and thanked the members of the Council for their kind references to him, which he greatly appreciated, and stated anything he might have done was for the welfare of the city.

The term of office of the Council having expired, the meeting adjourned.
