

Changes in the Government.

After the funeral obsequies of the late Sir Geo. E. Cartier, Sir John A. Macdonald set to work to fill up the vacancies in his Cabinet, and to-day the names of the new Ministers are announced. Mr. T. N. Gibbs, member for South Ontario, who has been hanging round Ottawa for some time, has been appointed Postmaster General. The Hon. Mr. Campbell vacates that office, and has been appointed to the Bureau of Minister of the Interior. The other appointments are not positively announced, but it is definitely understood that Mr. Masson member for Terrebonne, will become Minister of Militia in place of the late Sir Geo. Cartier, and that Mr. Stewart Campbell, of Guysboro, N. S., will be appointed President of the Council. These new men will add little or any strength to the Government. Mr. Gibbs has never been distinguished for anything but blind subservency to John A. Macdonald and his tortuous policy. He has dabbled a little in financial matters, and it was rumoured at one time that he was to take the place of Sir Francis Hincks, when he retired, but Mr. Tilley took the management of the finances, and now Mr. Gibbs has been made Postmaster General. By means of local and other influences he has managed to retain his seat for South Ontario, but if a strong man were now being brought out against him to oppose his re-election we question very much whether he could secure his seat. Mr. Gibbs simply as a follower of John A. Macdonald, as the upholder of his Government and the defender of his every course, was bad enough, but his position as a member of the Government, and his consequent closer connection with it will certainly naturally tend to arouse more opposition, and set the Reformers to work to make a strenuous effort to ensure his defeat. We do not think that the appointment of Mr. Mason or Mr. Campbell will bring any accession of strength to the Government, either in Quebec or in Nova Scotia. The power which the late Sir Geo. Cartier controlled in Lower Canada for so many years has been disjoined, and in a great measure broken up, and no single member of Parliament or Minister can ever bring together the scattered elements. Mr. Langevin tried his best to act the leader of the Quebec members during the late session, but he failed, and though he has since Sir Geo. Cartier's death been formally proclaimed such, yet he will never be able to exert a title of the power and influence which was exercised by the late Baronet. Sir John Macdonald, in making these appointments, has merely filled the vacant seats in the Cabinet—he has added no strength and no great amount of talent to his Government.

FATAL ACCIDENT.

— We learn from the Examiner that on Friday last, the youngest daughter of Mr. Joseph Styles, of Mount Forest, aged about eighteen months drank some lye which had been left in a cup placed upon a table. Medical aid was obtained as speedily as possible. Remedies were applied, but proved of no avail—the little one dying in about twenty-four hours, after suffering acute pain.

THE SIMCOE BONDS.

—The Orangeville Advertiser understands that legal proceedings are about to be taken to quash the By-law which has been voted on for the Hamilton and Northwestern Railway on the ground that illegal means were used to secure its carriage.

THE MISSING POLL BOOKS.

—We learn from the Mount Forest Examiner that the investigation into the circumstances connected with the abstraction of the poll books, containing the official record of the vote taken on the railway by-law for a bonus to the Durham extension of the W. G. & D. R., has closed. The evidence was taken at great length but nothing was elicited which would tend to criminate the parties suspected, and they were accordingly dismissed. The question now is, what effect will the abstraction and loss of these poll books have on the legality of the by-law. Will the vote have to be taken over again in all the Municipalities embraced in the by-law, or will it only have to be taken in those in regard to which the votes contained in the poll books are missing? These are questions which the legal gentlemen will have to answer. Meantime the delay caused by the loss of the poll books, and the risk if another vote is taken, of the by-law being defeated, complicates matters considerably, and puts off for a time the carrying out of the proposed extension of the railway from Clifford to Parham.

SIR GEO. CARTIER'S FUNERAL.

—The Ottawa correspondent of the Globe says: "The greatest surprise is expressed by those from this city who attended the funeral of Sir Geo. E. Cartier at the strong feeling against the deceased gentleman that is prevalent and general in Montreal. Many of the admirers of the late Minister are quite frank in their acknowledgment of the fact that, so far as Montreal was concerned, and notably the French element, the attitude was one of contempt. The feeling adverse to the occasion, and especially to the idea of a public funeral, was so strong that it would not have been concealed, and it was made quite apparent that had not the Government taken the matter in hand, the funeral, however sincerely a tribute of respect, would have been a materially less great demonstration. It is generally said that it would not bear comparison in any respect with that of McGee."

GREAT COMMOTION IN THE DRY GOODS TRADE

and a Tremendous Rush at our Mantle and Millinery Rooms.

On all hands we hear of dull trade: "Nothing doing," says Tom, Dick, and Harry, but it is not so at THE LION. Times better than ever. Still great bustle and activity at the leading house. The spring trade is opening beautifully, thus encouraging us to greater endeavors in the public weal; and the reason of our success is apparent. Our Goods are all direct from the manufactory, and none can do a successful business only those who buy from first hands, for which our Establishment has long been noted, and has raised the standard of our House (combined with the energy of the proprietors of the firm) to the present proud position, and more especially for the last two years, so that our daily sales are almost equal to the combined trade of the same character in the Town of Guelph.

OUR MILLINERY DEPARTMENT

Our Millinery is a complete success this spring, the taste inherent displayed by Miss McDonald is captivating all hearts, and places her high in the ranks of first-class Milliners. Combined with the genuine popularity of Miss Sutherland, thus making our rooms the centre of attraction.

FOR SALE—A desirable Villa near Guelph, being part of Lot 35, Division A, Township of Guelph, lying on the north side of the Guelph and Fergus Road, 14 miles from the Market Square, and familiarly known as the "Valentine" lot, containing about 3 acres of land, beautifully studded with natural trees, and having two remarkably fine springs of pure water, which might be used to advantage by a lover of pisciculture. There is a very comfortable brick cottage on the property containing 7 good sized apartments with stable and driving shed. There are few such properties to be purchased around Guelph.

Also—the Lot adjoining—known as the "Hubbard Lot"—containing five acres, having natural shade trees interspersed throughout. The river Speed forms its eastern boundary, and presents a very eligible site for a private residence, being a convenient distance from the town on one of the best roads.

Plans for both properties liberal, and may be learned by applying to Charles Davidson, Land, Loan, and General Agent, Town Hall, Guelph.
