LAST VESTIGE OF ANCIENT **GARTHAGE VANISHING**

Historic Scenes Being Obliter ated by Vandalism of Builders and Owners

Treasures of Dead City Go to Fill Museums and Homes of Archaeologists

Paris, Sept. 7-The last vestiges of ancient Carthage are rapidly disappearing before the vandalism of builders and property owners who cater for the well-to-do French-Italians, Greeks and Arabs of Tunis, and the pillage fills French archaeologists. artists. and historians with grief and indignation, especially as France holds protectorate over Tunis.

In the seventeenth century travellers testified to the magnificence of the uins of Carthage, ruins which showed with Roman and Byzantine fea tures, for after its destruction by the Romans in the year 146 B.C., the famus city was colonized by them, and ultimately passed under the rule of th freek Emperors who reigned at Con-

Its final downfall was effected b the Saracens in 697 of our era. But in modern times two younger towns, Tunis and Goulette, rose beside the dead city, which they pillaged to provide material for their expansion. Th great mosque of Tunis, for example has 150 columns taken from Carthage. Many private houses in Tunis are built of marble from the same source which has also yielded material for He Needed Lots of Pin Money, the aqueduct crossing the Bardo road.

The fort of Goulette, rebuilt in 1535. with vestiges of the illustrious town from the marbles of which Italian ships at one time took return freights, using parts of Carthage as mere ballast. There is a new Carth-Paris, Sept. 6.—Mulai Hafid, the ex-Sultan of Morocco, arrived at Marsell-villas, and other buildings are formed les yesterday morning, and was re- of the debris of pagan temples and
