Word has been received here also Mr. J. Grant Henderson, commisthat the pseudo Mr. Keith has been operating in Ottawa. sioner of industries, regrets exceedingly the action of the citizens in voting down the bylaws to loan money to the Findlay Porcelain Company and the . N. W. Shoe Company.

He made the following statement to The Advertiser today: "I regret exceedingly that the citizens of London saw fit to defeat the question. It is certain that next year, industrial bylaws with the exception of one, which was placed before them. the citizens will vote for four mem-People Want It.
Some of the citizens were of the should be done at this time, when their

opinion that the council might hold up passing means so much to London's inthe inauguration of the board of con-trol, but this will not happen. Al-though there is nothing in the munici-tation of the board of con-dustrial life. Time, money and energy have been spent in letting the manu-facturers throughout Canada and the pal act compelling the council to in- United States know that London is itiate this form of civic government, a live industrial centre, and the very the aldermen will not delay it in face first bylaws put up carrying with them of the tremendous force of public small loans well protected were defeated. The city did not stand in It is quite probable, however, that either of these cases to loose one solithe recommendations of the special tary cent. Through the defeat of these committee named last year to inquire bylaws we state to the country at large into the matter will not be acted upon. It was decided that the first four aldustries, or industrial expansion. That dustries, or industrial expansion. That dermen elected should form the board the citizens at large are too indifferent of control, with the next four alder- to the welfare of the city to turn out

of control, with the next four aldermen holding their positions for two years, and the last four retiring at the take its place with other industrial take its place with 157-2,302 years, and the last four retiring at the centres, it has got to throw off the deadly inertia of the majority which is necessary to go to the Legislature for authority, as the municipal aet does not provide any machinery for meeting such a situation. In discount to the majority which is paralyzing the energies and activities of a live and far-seeing minority that recognize the fact that if we contemplate entering the race with other municipal activities. ing such a situation. In discussing the matter with a number of aldermen, the opinion prevailed that Ald. Richter's we must be prepared to make concessuggestion, that the electors in January sion.s The action that this negative next vote on aspirants for the board vote will have upon the prospects in of control, was the correct method. the hands of the industrial committee This would give the voters an opportunity of selecting four men ca nonly be guessed at, but I fear it will be a great deterrent to many of

"The industrial commissioner should the board of control for cities of this certainly be backed by the united efforts of the city and citizens at large if the city expects industries. What we must have is unity, loyalty, concenconduct the business this year as in trated effort and a great awakening the past," declared Mayor Graham. from our self-satisfied position. 'We recommended that the first four the vote of the people the city of Lonfor this year, and determined that the don has lost two industries, to which, other aldermen should retire, but this had the bylaws passed, inside of two years they would have pointed with pride as among the leading industries seems rather difficult to successfully carry out, so it is likely that next Jan-

uary the electors will vote directly for in the industrial section. "Observe the attitude of Toronto in regard to the bylawsp laced before its citizens, wherein, the city voted \$13,-000,000 as against the paltry policy of London in refusing to loan \$45,000 to act provides that the representation in assist in the establishment of two ex-

HARRISTON.

Harrison, Jan. 2.—The remains of Alex-under Butler arrived here from Hamilton n Monday night, and were interred in on Monday hight, and were interred in Harriston Cemetery on Tuesday aftenoon. Deceased, who was 80 years of age, had lived in this vicinity many years, and was well known. Mr. Walter Butler, of Harriston, is a son.
The sneak thief who invaded the apartments of Mrs. Dulmage at the Queen's Hotel and made a clean-up of several hundred dellars' work of jewelry, has so The Federal Square.

A majority vote only is required to pass the federal square bylaw. Some were of the opinion that a two-thirds vote was necessary to earry this bylaw, but such is not the case.

The water commission will not be abolished until the end of the fiscal year, Nov. 30. This was stipulated in the council for 1913 was elected by acclamation, as follows: Mayor, Anson

acclamation, as follows: Mayor, Anson Spotton; reeve, R. F. Dale; councillors, Wm. Davey. Robert Reid, R. J. Barton, J. M. McKay, James Bailey, sen., and

J. M. McKay, James
J. A. Gray.
The town electric light plant, which
was promised would be in operation by
Nov. 15, is not yet running. There are
few signs of it being in operation or
some time yet. John Holmes, who oper ates the present system, has consented to continue the light service for an unstated period, so the report that the town would be in total darkness after Jan. 1 is with-out foundation.

BURNED TO DEATH.

New London, Conn., Jan. 2.- John B. Cronsherry was burned to death, and Maria Searls and Elizabeth Sutherland were so badly burned that they will die in a fire at the city alms house early this morning. Forty-three others, in-The fire started from an overheated

furnace. The monetary loss was small.
