Reinvade Province and Occupy Sadagora, North of Czernowitz City.

TROOPS' FINE ESCAPE

Two Regiments of 29th, Surrounded, Break Through German Lines.

[Canadian Press.]

London, Feb. 25-5:05 p.m.-Russian troops have reinvaded Bukowina and reoccupied Sadagora, on the 'railroad four miles north of Czernowitz, accordng to a dispatch received by the Evening News from Mamornita, in Rounania. The Austrians, the correspondent adds, are pushing up their troops towards Czernowitz to meet this new Russian attack.

REGIMENTS THROUGH.

[Canadian Press.]
Petrograd, Feb. 25.—The escape from a ring of German troops of two regiments of the 29th Russian Division, the were surrounded during the retreat em East Prussia, is recorded in an ofcial communication given out by the, general staff last night. It is stated that the Germans are making continuous attacks all along the front from the Bobr district, at Jedwabno, as far as the Vistula in the region of Bodzamow. Minor successes for the Russians in the Carpathians are claimed as the result of desperate fighting. The com-

been surrounded during the retreat, glory of ages would be crushed into inbroke through the enemy's lines and significance beside the achievement of amidships of the submarine's steel plates rejoined our forces. Patrols of the X-3! enemy are attempting to cross to the

right bank of the Niemen. 'The battle is extending on the right bank of the Narew, where attacks by the Germans are continuous all along the front from the Bobr district, at ledwabno, as far as the region of Bodzamow, on the Vistula.

Fighting is becoming very intense in the Przasnysz region, on the left bank of the Vistula. We repelled attacks of the enemy at the village of Bogusiar and at points to the west of Opocano and

Trenches Captured. "We repelled attacks of the enemy at

the village of Boguslav, west of Opotchno and Lopouschko. "There has been desperate fighting east of Lupkow Pass, in the Carpathians. Our troops have had several sucin the region of Munkao. "At daybreak, February 22, near Zawadka, we captured three lines of entrenchments on a height which is almost a sheer precipice. The Germans defending the height were killed or

taken prisoners. erman attacks were repulsed south of Myto Koslourka. We carried a height that follows? "We checked the offensive of important forces of the enemy on the Dolline and Salitch roads, on the right bank of the Powerland."

Discerning it, the commander signals alone is sufficient to guarantee a builteeye, the new torpedo, therefore, Frantically the officer orders a zig-zag is 100 per cent deadly.
