## PLANNING FOR **BIG CONVENTION**

Approximately 400 Members of American College of Surgeons To Meet Here.

### Ontario Section Will Hold Day Session Commencing October 16.

London springs to the lead again as a convention city, Oct. 16 and 17 next, when approximately 400 mem-American College of Surgeons gather opposite direction and are now here in annual convention.

This is the first occasion that the province of Ontario has been chosen for this honor, and the selection of London as the meeting place is further testimony of the increasing popularity of this community for such purposes.

The American College of Surgeons enjoys a membership representing the principal countries on both continents of the Western Hemisphere. It is truly pan-American in compo-

committee of surgeons in charge of Dr. George McNeil, chairman for Ontario, and Dr. George Ramsay, is arranging details for the

'Prevention of disease rather than the cure of the same" will be the medical experts and practitioners throughout America have now fully awakened to the two-fold task that confronts them. No longer does the family physician regard his work accomplished when he hands out a tonic and cures his patient. He realizes that it has become his bounden duty also to teach that patient to exercise greater care to avoid other ailments

Open To Public. precedent will be established at the London convention, it is promised, when for the first time in the history of the college a medical gathering will be thrown open to the general public and for their special

Among the many medical men of international repute in their respective specialties who will deliver addresses at this event are Dr. George W. Prile of Cleveland, Ohio, who was director of surgery for the entire United States overseas force: Dr. John Osborn Polak, Brooklyn, an undisputed authority on pre-natal care; Dr. Franklin H. Martin of Chicago, director-general of the American College of Surgeons, and Dr. E. R. president of the Ontario Medical Association

Meet Next Friday. On Friday next at 5 p.m. the local committee will meet at the chamber of commerce, representatives of the leading London business, civic and social organizations, and lay plans for the ultimate success of the public meeting. This gathering has already been tendered the moral support of Mayor Cameron Wilson, of the term. It was not one con-
