MAYOR GAYNOR WILL SOON BE CONVALESCENT CHOKED VICTIM TO DEATH, BODY IN BARREL

Improvement Was kept up well This Morning—Police Now Have Theory that Gallagher Had an Accomplice in His Attempt on Mayor's Life.

New York, Aug. 15—Mayor Gaynor, showed further improvement and strength today, and his "seventh day" found him rapidly emerging from the danger zone. The early morning bulletin of the physicians showed the wounded executive had passed an excellent night. The first official bulletin issued at 8 o'clock was as follows: "Mayor Gaynor has passed a good night and has slept well. He has taken nourishment well and is in a good general condition this morning; temperature 55 4-5; pulse 70, and respiration 16. The police are engaging themselves in a theory that James J.

Gallagher, the assailant, may have had an accomplice. This Gallagher denies, but a man with a police record is under suspicion. Mayor Gaynor will be taken to the Adirondacks just as soon as his condition permits but whether or not he will undergo an operation to remove the bullet before his trip to the mountains has not been fully determined. "One more day and we will be able to call Mayor Gaynor a convalescent," was the statement made at St. Mary's Hospital to-day. His attendants were frankly cheerful and more optimistic than on any previous occasion.

AGED NORTH SHORE FARMER DISAPPEARS

Alexander Loban, of St. Margaret's, Wandered Away Friday Night Last.

Chatham, Aug. 14—Alexander Loban, an aged farmer living at the village of St. Margaret's, seventeen miles from here on the Richibucto road, disappeared from his home last Friday evening and has not been seen since. It is feared he became deranged and wandered off into the woods. Practically all the inhabitants of the village were scouring the woods in all directions today. Loban and an unmarried daughter, who kept house for him, lived alone and it was during her temporary absence he disappeared. He had not been acting like himself lately and fears for his safety are entertained.

Somersworth Mass., Looking for Italian Murderer—Nickolas Capsalakos Being Hunted on the charge of Killing the woman with whom He Lived.

Somersworth, N. H., Aug. 14.—The number of a trunk check is the only clue which the police have to Nicholas Capsalakos, who is being hunted for a charge of having murdered Marissa Capsalissa, a woman with whom he lived at 9 Wallace street and whose body was found packed in an ash barrel in the cellar of the house yesterday. Capsalakos disappeared Thursday morning and thus far the police have only succeeded in tracing him as far as Dover, a few miles away.

TWENTY-FIVE CHINESE LIVE MONTH IN ROOM 20FT. SQUARE

The Atmosphere of Which was so Bad That it Extinguished the Flame of a Lantern.

Seattle, Aug. 13—Twenty-five Chinese stowaways who had eluded the inspectors at Vancouver B. C., were captured aboard the British steamship Kumeric, recently arrived from Hong Kong by immigration authorities yesterday. The Chinese had walled off room twenty feet square. They had been confined to this den since the steamer left China early in July and planned to slip ashore when the steamship reached Portland, where she is going to load lumber. In their little den they cooked their food, ate and slept. A lantern used in the search was thrust into the room but the poisonous air instantly extinguished the flames. The men were half-clad and some were ill from their long confinement and scant provender of tea rice and water.

AN INTERESTING AND INTELLIGENT VISITOR

John Sark, Jr. of Lennox Island Visiting the Restigouche and Miramichi.

The ADVOCATE had a pleasant call last week from Mr. John Sark, Jr., of Lennox Island, the Indian reserve of Prince Edward Island, and is a son of the ex-chief of that place. Mr. Sark is a fine specimen of the once great race who inhabited our Maritime Provinces. His splendid physique, and athletic appearance brings him up to the ideal pictured by the early explorers and pioneers. He is a graduate of St. Dunstan's College, completing his Arts Course two years ago. His education is above the average even for a college graduate, he speaks English, Latin, French and Micmac with equal fluency and has a good grounding in some other languages. He had been paying a visit to the

Mission across from Campbellton at the time of the big fire and is much interested in the relief of the town and proposes taking an active part in raising a relief contribution when he returns home, and stopped over at Miramichi to visit M. O'Brien, son of Sheriff O'Brien, with whom he attended college and is graduate of the same year. The young man is an excellent conversationalist and takes a lively interest in all matters of public as well as of local interest. He reports hay and grain, and in fact all crops excellent on the island; and takes a special pride in the fact that POCO WICH (Rum) and autos are prohibited in his native province. Mr. Sark has returned to his home.

JOE GANS, ONCE PREMIER IN HIS CLASS, IS DEAD

Consumption Carries Off Former Lightweight Champion at Age of 34

Baltimore, Aug. 10—Joe Gans, former lightweight champion pugilist, died this morning. Gans died of consumption which manifested itself about a year ago. Late last spring he went to Arizona with the hope of restoring his health but the disease had been too deeply seated and he declined rapidly. He was brought here last week to die. He was thirty-four years old. Joe Gans true name was Gant, the name Gans having been fastened upon him early in his ring career by a mistake of a referee. He began his ring career in 1894, but prior to that time he had made a name for himself as a fighter about a fish market in this city where he was employed. His first fight for money is said to have brought him only \$4. The largest purse for which he ever fought was \$38,000, he having agreed to give Nelson the remainder, win, lose or draw. Gans won the title of lightweight champion from Frank Erne, in Port Erie (Ont) in one round in 1902, and lost it to "Batling" Nelson in 1908 in the 17th round.

MONCTON SUSPECT WITH BURGLAR'S OUTFIT EX-CONVICT

Identified as Ainsworth Harrison, of Kentville, as Having Served Time in Penitentiary.

POLICE, AS USUAL, WERE NEARLY TOO SMART

Montreal, Aug. 12—A practical joke evidently played by some medical students, might have caused the arrest and perhaps conviction of an innocent man, had not a small piece of wire been found attaching the lower jaw to the upper jaw of the human skull, which was found by some men working in a dump at the foot of Metana street yesterday.

AGED HALIFAX WOMAN BURNED TO DEATH

Mother of one of Teachers in the Sacred Heart Convent, St. Joseph's.

Halifax, N. S., Aug. 14—Burned to death while placing a light in the hall to guide her daughter up the steps on her return from work was the sad fate of Mrs. Mary Ann Doyle, about nine o'clock last night. The aged woman and her daughter returned from church and the latter started down a town to meet her sister. Mrs. Doyle was tired and said she would place a lamp in the hall and retire. The daughter had only left the house a few minutes when a lad who was playing on the street a few feet away heard someone calling for help, and summoning assistance, went to the Doyle residence and found the aged lady a mass of flames on the floor. While in the act of placing the lamp on a chair it fell to the floor and exploded, the flames igniting her clothing. She was taken to the Infirmary but died in less than an hour. She was a widow and had six daughters, three of whom are Sisters of Charity. One is a teacher in the convent in St. Joseph's, N. B., another is sister superior of the convent in Metagan, Digby County, N. S., while the third is in the convent of the Sacred Heart in Halifax.

DEAFNESS CANNOT BE CURED

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
