League Formed by Parents of French Soldiers

Paris, Nov. 22.—A league has been formed here by the parents of 600 soldiers who are serving at the front, with the object of ferreting out and reporting to Minister of War Gallieni, cases where young men fit for military service are occupying positions in the interior which are more or less sinecures through the influence of powerful friends and the persons who are protecting them. The league hopes to co-operate in this way with M. Gallieni's campaign to root out favoritism.
