WEDNESDAY MORNING DECEMBER 14 1881.

TREACHERY OR STUPIDITY, WHICH J There are those who find not a little dif-

ficulty in arriving at anything like a satis factory understanding of the motives which inspire the course of the Globe on the principal questions attracting the attention of the Canadian people. Why a journal is going on in connection with other great should adopt the very policy best calcula- lines. Without doubt the sudden rise and enormous expansion within one year of the ted to defeat the objects which that joursyndicate scheme and its connections is the nal professes to hold most dear, it is diffireal pressure that is forcing the Grand cult indeed to understand, yet this is just Trunk to try how to do at "railroad speed" what the grit organ is doing with respect what it was doing before at a more moderate to the syndicate. There are those who are rate of progress. During a number of years uncharitable enough to say that the Globe's past, before the syndicate had turned up, the absorption of local roads by both the hostility to the syndicate is not so sincere Grand Trunk and the Great Western was as it is demonstrative, and that Mr. going ahead at a rate highly creditable George Stephen's investment in Globe stock to this advancing "new nationality" of is not by any means bad one for one who ours. But the appearance of a new, giganhas so many reasons for wishing well to tic monopely on the stage has changed all that, in a measure ; and the old facilites for the syndicate. For our part we incline to absorption are felt to be no longer sufficient. the belief that the Globe's extraordinary Something more is now required in order and apparently contradictory course is at- that the grand work may be the sooner tributable rather to stubborness and stupid- hurried to completion and the whole coun-

shall have seats on the floor of the senste, and debate all questions affecting their respective departments. This is at best a makeshift. It will not give the senators any more control over the government's policy than they now enjoy. No

lisabling the captain. We prefer, if we vote of want of confidence can have any an, to give it credit for honesty of pureffect, and the two-third vote, so difficult pose even at the expense of its reputation obtain, will still remain the only restraint upon the presidential veto. Our possession of common sense, but cousins should screw up their courage, and we frankly confess that we are unable to frankly copy our system of ministerial make out even a plausible case of political espensibility.

THE YOUNG MEN. The frantic attempts of the Mail to rope i the young men to come up to the help o

In the Canada (official) Gazette of the the chieftain against the grits do not meet Oth inst., notice is given that the Grand with a very hearty response. Some way Frunk railway 'company will apply to parthe young men do not take kindly to train ament for an act to authorize the company ing in the old party harness. As a conse o purchase, lease or amalgamate with any quence, brother Boultbee's band of hop line of railway, whose line touches or interloes not flourish as a green bay window. and define the powers of the company in A few nursing lawyers, half a dozen briefless and brainless barristers, and one or two political campfollowers ever ready to be anybody's dog for a bone, are all that the frantic appeals of the organ can muster together. But out of such unpromising materials the Mail strives to manufacture

Existing facilities for the gobbling up a great gathering of young men under the the smaller lines being inadequate, it is debanners of Canadian toryism. It won't do, sired that new facilities be granted, in order the old party shibbolths have lost their that the gobbling-up process may go on power to charm, and young Canada dewith a rapidity more befitting this progresmands a party which does not dwell among sive country and this enlightened age. the tombs and graveyards of the past. If The public genrally may have imagined that the process referred to was already the grit and tory organizations last till the present veterans who "lag superfluous on going on fast enough, in all conscience, the stage " have fully served their time, it out so think not the Grand Trunk anthor. is the most they can do, for no self-reities. New ways and means of hurrying up specting young man can ally himself to either of them. Whether Mr. Davin so inthe anaconda process are deemed imperatively necessary, and the act asked for is tended it or not we know not, but there to be one of them. It cannot be said, however, that the Grand Trunk is specially | was a certain grim humor in the idea of reminding the band of hope that a few years to blame in this matter, as the same thing

ago a young men's conservative association was formed in the city. The sad fate of that abortive attempt is certainly prophetic. IF GEN. HEWSON'S OBJECT in writing to

The World was to secure circulation and ventilation for his grievances against Sir John A. Macdonald, that object has been accomplished. The Toronto Tribune, the Whitby Chronicle, Montreal Post, Kingston Whig and other journals have given opinions, friendly or otherwise, upon the subject. The Post, while taking no stock in the general's integrity of purpose, regrets that Sir John should have lent himself to a speculation in Catholic votes. The grit organs pat Mr. Hewson on the back. The Kingston Whig, for instance, seems to think that he is a modern Scipio, for it says that he has "carried the war into Africa." It might have added that he has also
