Mr. M. C. Morgan lost a valuable horse recently. Mrs. Laura Rose Stephens was all that she was represented to be as a speaker, as to the large and appreciative audience which attended the meeting of the Women's Institute proved by the hearty response given during her witty and instructive discourse. The musical part of the program was much appreciated. The Napier Quartette gave two very beautiful patriotic songs, which were much enjoyed. Mrs. DeGex sang very sweetly, "Sons of the English Empire." Mrs. Hornby gave several beautiful selections on the violin, ably accompanied by Mrs. Lambert.

Macaskill-Gilleland

(Duluth Herald, June 1st, 1915. Miss Annie Macaskill and Cecil C. Gilleland were married this afternoon at 2.30 o'clock at the home of the bride's mother, Mrs. Malcolm Macaskill, 809 East First street. The ceremony was performed by Rev. John A. McCaughey of the second Presbyterian church. Miss Lillian Macaskill, sister of the bride, was the bridesmaid and Stanley Gilleland, brother of the bridegroom, was the best man. Miss Mina Macaskill, another sister of the bride, played the wedding march and a group of numbers before the ceremony.

The bride wore a white embroidered gown. Her tulle veil was arranged with flowers and she carried lilies of the valley. The bridesmaid was gowned in yellow silk and carried pink roses. Assisting about the rooms were Miss Violet Gilleland, Miss Jessie McGhie, Miss Effie Wiltsie and Miss Evelyn Bullis, of Weyburn, Sask., a cousin of the bride. Mrs. Wayne Richardson assisted in the dining room.

The table in the dining room was decorated with white roses, pink satin ribbon and pink candles. In the other rooms a white and green color scheme was carried out with trilliums and ground pine. Mr. and Mrs. Gilleland left for a short trip. They will be at home after July 1st at 405 Fairbault street.

Mr. Cecil E. Gilleland, the groom, is a son of Mr. and Mrs. Wilson Gilleland, formerly of Watford.

Canadian National Exhibition

The Canadian National Exhibition which will be held from August 28th to September 13th will mark a great epoch in the history of the Patriotic service. This year is essentially a patriotic year, and every event that marks its progress must breathe the spirit of Patriotism and Production.

When the smoke of battle is passed and the great guns have ceased belching forth their messages of death, and the wave of peace has settled on the surface of the world, when other years and other times have changed the strong spirit of national hatred to national understanding, the year 1915 will still be engraved upon the memories of the people of the world.

As this year is destined to become historical, so every event connected with it must also be historical. For many years one of the greatest institutions of this country has been the Canadian National Exhibition, when people from every part of the Dominion and from the United States spend two weeks of enjoyment, of enlightenment and amusement in one of the finest beauty spots in Canada.

At the Exhibition this year, will be exhibited for everyone to see all kinds of evidences of German Kultur, from the helmets of the much vaunted Uhlans to the barbarous device, the asphyxiating gas bomb. Big guns that had done their deadly work before they fell into the hands of our soldiers; shells of every calibre; helmets and uniforms taken from the bodies of dead Germans; in fact all articles used in the war that Krupp's have been able to create will be shown at the Exhibition this year.

Under the X-rays which were again used on the arm of Mrs. Charles Jackens of Wyoming, on Thursday in Petrolia, another grain of shot has been located. This will necessitate another incision and further scarring, and just how many more may yet make themselves felt seems impossible to say. It will be remembered that nearly a year ago some boys, while playing with a shotgun, were the cause of this serious injury to their neighbor, who was sitting in her dooryard on an adjoining farm.

ST. VITUS DANCE IN YOUNG CHILDREN

Can Only Be Cured by Enriching the Blood and Toning Up the Blood

One of the commonest forms of nervous trouble that afflicts young children is St. Vitus dance. This is because of the great demand made on the body by growth and development, together with the added strain caused by study. It is when these demands become so great that they impoverish the blood, and the nerves fail to receive their full supply of nourishment that St. Vitus dance develops. The remarkable success of Dr. Williams' Pink Pills in curing St. Vitus dance should lead parents to give their children at the first signs of the approach of the trouble. Fallor, listlessness, inattention, restlessness and irritability are all symptoms which early show that the blood and nerves are failing to meet the demand upon them. Here is proof of the great value of Dr. Williams' Pink Pills in cases of this kind. Mrs. Alfred Schner, R. R. No. 5, Dunnville, Ont., says: "Our ten-year-old daughter, Violet, suffered very severely from St. Vitus dance. The trouble came on so gradually that we were not alarmed until it affected her legs and arms, which would twitch and jerk to such an extent that she could scarcely walk and could not hold anything in her hands steadily. She suffered for about five months before we began giving her Dr. Williams' Pink Pills, but she had not taken these long before we found that they were the right medicine, and after she had taken nine boxes she had fully recovered her former health and strength. I can strongly recommend Dr. Williams' Pink Pills to every parent having a child suffering from St. Vitus dance or any form of nervousness." In troubles of this kind no other medicine has met with such success as Dr. Williams' Pink Pills. You can get these Pills through any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.
