The Withered Rose.

The leaves are withered now sweet rose!
Once blooming, bright, and gay,
And as bright as thou wert then,
Have faded too—away.

Thou bright like sun-set gleams to last,
Thou bright like that bright, too quickly past.
I love to gaze on thee, sweet rose,
Thou many sad thoughts wake
In him, who gave thee, smiled and said,
"Have, keep this for my sake."
And have I kept or loved thee well?
Sweet rose! thou best the tale can tell.

A friend's first gift in happy days,
Then can I slight thee now;
When care and sickness both have set,
Their seal upon my brow?
And not then be who loves me near,
With soothing words this heart to cheer.
When I am gone, O! bear to him—
My treasured rose—my last farewell!
And like that fragrance round thee still,
O! bid my memory with him dwell—
As thro' life's way he struggles on,
Nor grieve to find himself alone.

St. Andrews, G.

How to Treat a Wife.—It is not every husband who knows how to treat a wife. The following admirable lesson on the subject should be carefully read and treasured in the memory of every husband, and of every wife who contemplates assuming that relation. If rightly improved, it may serve to prevent many of the troubles of life—change the clouds to sunshine, and render its whole journey smooth and placid. We know not the origin of the article; but that it is a good one, an excellent one, we are quite sure.

First—get a wife. Secondly, be patient. You may have great trials and perplexities in your business with the world; but do not therefore carry to your home a clouded or discontented brow. Your wife may have had trials which, though of less magnitude, may have been as hard to bear. Do not increase her afflictions. A kind conciliating word, a tender look, will do wonders in chasing from her brow all clouds of bloom. You encounter difficulties in the open air, fanned by the breeze of cool breezes; but your wife is often shut in from these healthful influences, and her health fails, and her spirits lose their elasticity. But oh! fear with her; she has trials and sorrows to which you are a stranger. But which your tenderness can deprive of its anguish. Notice kind; her little ailments and efforts to promote your comfort. Do not take them all as a matter of course, and pass them by, at the same time being sure to observe any omission of what you may consider her duty to you. Do not treat her with indifference, if you will not wear and play her heart, which, if not treated kindly, would, to the latest day of your existence, throb with sincere and bitter affection.

Some times yield your wishes to hers. She has preferences as strong as you, and it may be as trying to her to yield her choice to you. Do you find it hard to yield some of your wishes? Think you not it is difficult for her to yield up always? If you never yield to her wishes there is danger that she will think you selfish, and care only for your self. All such feelings she cannot love, you will be right. Again show yourself manly; let your wife can look up to you, and feel that you still act nobly, and that she can confide in your judgment.

The following Medicines are for sale by Henry McLeavy St. Andrews.

CONNELL'S MAGICAL PAIN EXTRACTOR.

The great healing salve—It seems hardly worth while that we should add our testimony to the overwhelming mass that has already been procured by this inestimable burn specific called Connell's Magical Pain Extractor, but we might as well say it exceeds anything we ever heard of for the rapid and thorough cure of the following complaints which have been tested in this city, viz: Burns, scalds, tender and sore feet, chilblains, wounds and old sores, bruises and cold in wounds, inflammation, salt-rheum, rheumatism, erysipelas, sore eyes and nipples, eruptions and scrofulous claps, and piles in their worst form. No family should be without this wonderful salve. Sold genuine, at 10 Tremont Row. m 13.

SA: T-RHEUM, PIMPLES AND SORE ON THE FACE, AND ALL CUTANEOUS AFFECTIONS.

The great virtue of Sarsaparilla as a restorative of purity to the blood, and consequently a cure for maladies arising from its impurity, is well known to every one. To get it concentrated in, therefore, an important object. Messrs. Connstock & Co. have given much attention to this article, and have at length brought forth an article for superior to anything now in use. We advise every person to use this celebrated extract, as it not only effectually purifies the blood from all its morbid humors, and unwholesome particles, but regulates the stomach, promotes digestion and gives increased strength and vigor. As an effectual alterative to the system, it is unequalled. Sold at 19 Tremont Row. only Price 50 cents per bottle. \$4 per dozen.

CURE FOR PILES.—For 6 years I was afflicted with what the doctors told me were the itching piles. I had applied to several physicians and used many medicines without any relief, till I used the Hays' Liniment, which I purchased of Connstock and Ross, No. 19 Tremont Row, which cured me before I had used all or one bottle. I was greatly relieved upon the first use or two applications. Most seriously do I urge upon the afflicted to use this remedy before all others. My object entirely in making my case public, is hoping I may benefit the afflicted sufferer.

FARR, TORRIS, No. 4, Allston St. m 13.

ET RHEUMATISM AND TRUE—A lady called upon me one day, and stated that her husband, son and herself had been cured of rheumatism with the Indian Vegetable Elixir and Liniment, sold by COMSTOCK & ROSS, 19 Tremont Row. She did not wish her name published, but gave us liberty to give it to any person afflicted, and have them call upon her and she would tell them the particulars. It was a constitutional family complaint, and they have all been permanently cured. We could not but be gratified. The great remedy is worthy of the attention of the public. m 10.

THE NAPLES HAIR DYE.—For some unaccountable reason, for the last one or two years, many young people, both male and female, have had the misfortune to have their hair turn permanently grey. We have been frequently applied to for something to turn the hair back to its natural color, which has induced us to go to much trouble and expense in order to furnish our customers and the public generally with a new and improved Hair Dye—one that is nearly effectual, and not the least injurious to the head or hair, for the moderate price of 50 cents per bottle. We have succeeded beyond our expectations. This article we offer to the public with great confidence. We have been twice tested time after time, before we could offer it for sale. The price is such that all can afford to use it, and its quality we believe to be superior to any ever before made.

COMSTOCK & ROSS 19 Tremont Row. ET RHEUMATISM AND GOUT.—There are many things advertised and offered to the public for the cure of Rheumatism and Gout, that are of little or no account; they may relieve for a short time, but will not cure. We therefore feel it our duty for the benefit of the afflicted to say what we know of the Hays' Nerve and Bone Laxative and Indian Vegetable Elixir, which is offered for that purpose. It is simply this, that it is the most extraordinary article we ever saw. To our certain knowledge, the following gentlemen have been cured some of them over 20 years of age, and had suffered intensely for years:

ENUCH FLEMING, Esq., No. 18 Crescent Place.

DAVID KID, Esq., 32 Elm street.

REUBEN FAIRBANK, 44 Bridge street.

Geo. JONES TAZELL, Cambridgeport.

Mr. C. J. JENNINGS, Chelsea.

Mr. CHARLES E. FIELD, do.

HORACE RICHMOND, Esq., Medway.

S. S. HOWARD, No. 6 Wesley street, East Boston.

We could add many more, but think this quite enough to convince the afflicted that they had better try it. The above named persons procured it from the proprietors, COMSTOCK AND ROSS, No. 19 Tremont Row.

Kolmstock's Vermifuge.

This remedy for worms is one of the most extraordinary ever used. It effectually eradicates worms of all sorts, from children and adults.

THOUSANDS perish by worms without the real cause being known. Some other reason is assigned for their sickness, until too late to cure the real cause.

What should be done? The answer is plain. Give this vermifuge, which will be sure to do good, if they have no worms; and if they have, it will destroy and eradicate them with a certainty and precision truly astonishing.

It cannot harm the smallest infant or the strongest adult. There is no mercury or mineral in it. Mercury is the basis of most worm remedies, and the remedy is sometimes worse than the disease. So never use lozenges, but rely upon this. Every person will be convinced on one trial, that it is the most perfect cure ever invented.

Remember and ask for Kolmstock's Vermifuge.

FRENCH DEPLATORY.

This article, used for taking off superfluous hair from the face and neck, is sold at 50 cents per bottle.

All of the above valuable medicines are sold by COMSTOCK & ROSS, No. 19 Tremont Row—BOSTON.

HOLLOWAY'S OINTMENT!

FIFTY ULCERS CURED IN SIX WEEKS!

Extract of Letter from John Martin, Esq., (Chronic) Ulcers, Tobago, West India, &c.

February 4th, 1845.

To Professor Holloway.

Sir,—I beg to inform you that the inhabitants of this island especially those who cannot afford to employ medical gentlemen, are very anxious of having your astonishing Medicines within their reach, from the immense benefits some of them have derived from their use, as they have been found here, in several cases, to cure Sores and Ulcers of the most malignant and desperate kind. One gentleman in this island, who had, I believe, about fifty running ulcers about his legs, arms, and body, who had tried all other Medicines before the arrival of yours, but all of which did him no good, but yours cured him in about six weeks, and he is now, by their means alone, quite restored to health and vigor.

(Signed) JOHN MARTIN.

PILES, FISTULAS, AND BEAVERING-DOWN.

A remarkable cure by these Pills and Ointment.—A half-pay lieutenant, lately residing at 1, Holter's, Jersey, whose name by request is omitted, had for three years suffered from piles and fistula, besides a general bearing down, of the most distressing nature. He had twice undergone an operation, but to no purpose, and at last gave himself up to despair. Yet, notwithstanding this complication of complaints, together with a debilitated constitution, he was completely cured of all his infirmities and restored to the full enjoyment of health by these justly renowned medicines, when every other means had failed.

EXTRAORDINARY CURE IN THE WEDDING INDIES, OF LEPROUSY AND OTHER DREADFUL SKIN DISEASES.

June 2nd, 1844.

Mr. LEWIS REEDON, of Georgetown in the Maritima, writes under the above date—that Holloway's Pills and Ointment have cured him of a disease which no doctor could manage, ulcers and sores that were of the most dreadful description, as likewise leprosy, blotches, scales and other skin diseases of the most frightful nature. And that the cure effected there was the whole population, of about three months, healed up the breast as soundly as ever it was in her life.

Wheezing on the Chest and Shortness of Breath.

Copy of a Letter from Mr. J. C. Gray, No. 1, Cramp ton place, Cranston street, Brunswick, Crompton, London, April 5th, 1845.

"To Professor Holloway.

Sir,—The Lord has permitted to be wrought a wonderful cure of Cancers of Abscesses, of twenty years' standing, in my wife's breast. In the latest part of the time, eleven wounds were open at once. I have faculty declared the case as past cure, several pieces of bones had come away, and I expected that my poor wife would soon have been taken from me. It was then that a friend recommended the use of your Pills and Ointment, which, to our utter astonishment, in the space of about three months, healed up the breast as soundly as ever it was in her life.

"I shall ever remain

Your most grateful and obedient servant,

(Signed) RICHARD H. L.

IN ALL DISEASES OF THE SKIN.

Bad Legs, Old Wounds, and Ulcers, Bad Burns, Sore Nipples, Stomach and Uterine Cancers, Tumors, Swellings, Gout, Rheumatism and Lumbago, likewise in cases of Piles, the Pills in all the above cases, ought to be used with the Ointment; as by this means cures will be effected with a most greater certainty and in half the time that it would require by using the Ointment alone. The Ointment is proved to be a certain remedy for the bite of Mosquitoes, Sand-flies, Chigoeffs, Yaws, and Coco-bays.

Burns, Scalds, Chilblains, Clapped Hands, and Lips, also Bunions and St. Corne, will be immediately cured by the use of the Ointment.

THE PILLS are not only the first remedy known when used with the Ointment, but as a General Medicine there is nothing equal to them. In nervous affections, as well as in all cases of general debility, or where there is a want of purity in the blood and fluids, they will insure HEALTH TO ALL.
