ter of closer union in church relation must be regarded with approval by all our readers. We learn that, preliminisures have already been adopted by Methodists and Preshyterians throughout Canada, looking towards the union of these large bodies. The Banists and Free Baptists have also decid d to unite in fellowship upon a basis mutually acceptable. Movements of this kind plainly show that the tendency of evangelical denominations is strongly in the direction of more ins parate organizations has been ful. part of the town. filled in securing liberty of conscience and perfect freedom in religious life. Having fully gain d these great privilege, the different churches are now lege, the different churches are now opportunity for those interested to see disposed, voluntarily, to form a union the fine new building lately erected which shall recognize and maintain the individual freedom and rights which Concert daily at 5 p.m. have been purchased at a tremendous .- The tea meeting at Young's Covcost in past ages.
