### Marriages of Particular Interest to Our Readers in Annapolis and Digby Counties

MACKENZIE-CROWE

A wedding of much interest took place Wednesday evening in the United Church of St. George's and St. Andrew's, Annapolis Royal, when Harry T. MacKenzie, junior member of MacKenzie, Crowe and Co., Bridgetown, was united in matrimony with C. Beatrice Crowe, of Annapolis Royal. The church was very artistically decorated for the occasion. Miss Annie Crowe, of Middleton, played the wedding march and itev. Bruce Muir, of Sherbrooke, solemnized the marriage, assisted by Rev. Clayton A. Munro, pastor of the church. The best man was Mr. Vinton Lloyd, of Bridgetown, the maid of honor was Miss Bernice Crowe, twin sister of the bride, and the bridesmaid was Miss Vera Langille, the bride's cousin, the bridesmaids were the flower girls, little Barbara Longmire and Velzya Crowe, were the flower girls, while Messrs. Herman Young and Ernest McDormand ushered. The bride was given away by her mother, Mrs. James E. Crowe. The bride was dressed in ivory satin and georgette, with the conventional bridal veil and orange blossoms, and carried a magnificent shower bouquet of white asters and sweet peas. The maid of honor wore pale pink taffeta, with hat to match, and carried a bouquet of pink and white roses and snapdragons; the bridesmaid was gowned in pale green satin with hat to match and carried a bouquet of pink larkspur; and the flower girls were dressed in ruffled gowns of white organdie and carried baskets of sweet peas. The bridal party, as it wended its way to the altar to the strains of the wedding march presented a very attractive appearance.

The bride has been a successful school teacher. For a time she taught in Nova Scotia. In 1917 she gained an enviable reputation in the teaching art.

The groom is very popular both in business, sports and society. At the beginning of the war he enlisted in the 6th C.M.R. Batt. and honorably served his King and Country.

After the marriage ceremony a reception was held at the home of the bride's mother. At the close the happy couple started on a motor tour through New Brunswick and the Eastern States with the White Mountains as their objective. On their return they will reside in Bridgetown. The bride's travelling suit was black satin, with a taupe motor coat and harding blue leather hat.

The out of town guests were: Mr. and Mrs. Gordon Crowe and daughter, Annie, of Middleton; Mr. and Mrs. W. W. Clark, Halifax; Mrs. W. C. Warrington, Digby; Mr. and Mrs. A. B. MacKenzie, Mr. and Mrs. Frank Crowe and daughter, Eva, Mr. and Mrs. C. B. Longmire, Miss Marion Dearness, Bridgetown, and Miss A. Jackson, Paradise.

There was a large number of useful and handsome presents, including seven substantial cheques, a purse of gold, from the Middleton Athletic Association, a mahogany mantle clock, with a gold presentation plate suitably engraved from the District G.W.V.A., and a piano, from the groom's uncle, A. A. MacKenzie, of New Glasgow. The groom's gift to the bride was a set of Alaska Sable furs.

GRAVES-MARSHALL  
The Baptist Church at Falkland Ridge was the scene of a very pretty wedding on Wednesday, at 11 a.m., August 17th, when Etta K. Marshall, daughter of Mr. and Mrs. H. A. Marshall, became the bride of Wesley Graves, of Aylesford.

The pretty church on the hill had been most artistically decorated in green and white, and potted plants, by the girl friends of Miss Marshall, and was perfect fitting for the pretty bride, who looked beautiful in her gown of white satin. Her veil of white silk net was held in place by a wreath of orange blossoms. The bride was attended by her sister, Marjorie, as bridesmaid, and Lewis Stoddard, cousin of the groom, attended the groom as best man. The bride entered the church on the arm of her father to the strains of the wedding march played in a most fin-

ished manner by Bernice Sproule, Reta Marshall and Helen Mason acted as ushers, and attended to the seating of the guests and friends who filled the church.

The ceremony was performed by the Rev. Geo. Durkee, pastor of the church, and was most impressive. The double ring service was used. Space is too limited to describe the many beautiful costumes worn by the fair guests. A bountiful wedding lunch was served immediately after the ceremony, after which the happy couple left by auto for a three weeks' trip to Montreal. On their return they will reside at Aylesford.

The groom's gift to the bride was a gold wrist watch, to the bridesmaid and organist, amethyst brooches; to the lady usher, Lingerie clasps; to best man, a pearl tie pin. Their many friends join in wishing them many years of happy wedded life.

Father Kusella. They left on a trip to Montreal, via St. John. They will spend several days along the St. John River, and will return via the Annapolis Valley. They will reside at Truro, where Mr. Sullivan is manager of the C.P.R. office.

MILBURY-DAVIS

The happy couple left by S. S. Empress for St. John, from which place they will motor to Quebec on a short honeymoon trip, before going to their home in Concord. ## C. H. McCLARE WINS 1st PRIZE Kentville's New Residential District To Be Named "Masters Park"

The contest has just closed for the naming of Kentville's new residential district, and the committee has awarded prizes. The winners are as follows: 1st prize—\$15.00 in gold, won by C. H. McClare, of "Lakelands", Hants Co. Name, "Masters Park." 2nd prize—\$5.00, won by Miss Margaret Redding, Kentville. Name, "Masters Highlands." 3rd prize—\$5.00, won by L. R. Ziman, of the Sanatorium at Kentville. Name, "Hilicrest."

The owner of the property, John F. Masters of Boston states that great interest has been taken in the contest, over 100 names being submitted by persons throughout the Annapolis Valley. Many of the names were very original and the majority appropriate, but the committee decided on the above names as most suitable.

The residential area to be opened up covers 25 acres and contains 127 building lots. Mr. Masters is providing for a public park of about 3 acres to be eventually laid out in shrubs and walks, and as it occupies a ravine, two pools or lagoons will be provided by damming up the flow of water.

Mr. Masters was formerly Superintendent of the Yarmouth Line of Steamers, and is to be commended for his enterprise in helping to build up his home town of Kentville and which will undoubtedly have a stimulating effect on all towns in the Annapolis Valley and Nova Scotia in general.

GIRL SIXTH PERSON HALIFAX MAN SAVED  
W. W. Clark, a Halifax merchant, sixty years of age, saved a girl from drowning in the North West Arm. The young woman was trying to swim from the shore out to a yacht where her sister was, but being unable to swim the whole distance went down. After she had gone down for the second time Mr. Clark swam out and succeeded in rescuing her. Mr. Clark several years ago was presented with a medal when he had already saved five from drowning.

(Mr. Clark is the twin brother of Conductor Will Clark of the D.A.R.)

SOME CAR  
Interest was caused in Kentville Wednesday, when a New York seven passenger automobile arrived at "Cornwallis Inn". The car is a McFarlane, costing \$15,000, with windshield attachments to fore and rear seats, elegant appointments in every line and is a model par excellence in cars. The occupants, Mr. and Mrs. T. R. Bartling, Liverpool; Miss Kitchin and Miss Hoffman, Nictaux, are guests at the "Inn".

A Life Preserver  
Ma, may I go boating?" asked Doris. "Indeed, you shall not," replied fond mother. "Who in the world asked you?" "Mr. Buffers," said the girl. "O, very well, you may go with him. He has a cork leg, and if the boat upsets, you can just hang on to that."

WARSHIPS WILL NOT VISIT ANNAPOLIS  
President of the Historical Association of Annapolis Royal wishes to make it known that the arrangements for a visit of the Canadian Squadron to Annapolis Royal, on the occasion of the Historical celebration at the end of this month have fallen through. The rest of the programme will be carried out as announced. A large attendance is expected.

STATES APPLE "DROP" IS HEAVY IN VALLEY  
Ottawa, August 10—An official report received to-day by the Fruit Branch, Department of Agriculture from the Annapolis Valley, stated that if present conditions continue the crop will undoubtedly be smaller than last year. Rain fell on July 15th after a long dry spell and since that date there has been no rain. The apple "drop" has been very heavy and still continues.

On Monday a strong hot wind brought down a great deal of a bumper crop. Potatoes and other field crops are stated to be suffering from lack of rain.

On Tuesday morning the Moderator, Rev. M. W. Brown, D.D., addressed those assembled from Rev. 3:14-22, and exhorted all Christians to more zealous and consecrated service for God. A devotional period followed, many leading in prayer and a number expressing determination to live the Christian life.

The subject to Missions, with particular reference to the Women's part in the work, was given prominence during the afternoon. On this occasion it was our privilege and pleasure to have with us and to hear Rev. P. N. Hamilton of Tusket. At present he is holidaying and incidentally assisting Bro. Curry in special services. It was most encouraging to learn that their efforts were meeting with success. Dr. Brown gave a review of the history of our missionary efforts and described the growth of the Women's organizations. His suggestion that an Aid Society be formed was immediately put into effect. Officers were elected as follows:—Pres. Mrs. Geo. Kay; Vice-Pres., Mrs. Roy Longmire; Secty., Mrs. Fred Longmire; Treas., Mrs. Percy Halliday.

A special feature of the evening was the singing of a duet by Mrs. Palmer and Mrs. Ellis, of Granville Center. The Moderator then introduced Rev. C. W. Robbins, of Bridgetown, and as this was his first appearance in our Quarterly, welcomed him to work in this county. Brother Robbins spoke on "A Suffering Saviour Satisfied" from Isaiah 53:11. This suffering Saviour can be satisfied only in seeing the coming in of the Kingdom of God. In the testimony meeting which followed eight persons signified their intention to live for Christ.

Resolutions were passed conveying thanks to the pastor and people of Hillsburn for their kindly hospitality, and to the organist and singers for their assistance in making the Quarterly gathering a great success.

## ANNAPOLIS COUNTY BAPTIST QUARTERLY MEETING

One of the most helpful Quarterly Meetings it has been our pleasure to attend was held with the Church at Hillsburn on August 8th and 9th. The attendance at all the gatherings, and the response to the work was an inspiration to all. The proceedings opened with a song service conducted by Pastor Curry. Rev. A. Gibson, of Annapolis Royal, preached from the text in Isaiah 44:22. This opened the way for a helpful after-meeting.

On Tuesday morning the Moderator, Rev. M. W. Brown, D.D., addressed those assembled from Rev. 3:14-22, and exhorted all Christians to more zealous and consecrated service for God. A devotional period followed, many leading in prayer and a number expressing determination to live the Christian life.

AUBURN SHUT OUT MIDDLETON  
The Score Was Fourteen To Nil In Favor Of The Visitors.

The anxiously awaited game between Auburns, of Cambridge, Mass., and Middleton ball teams was played Wednesday on the grounds of the latter before a crowd of sixteen hundred enthusiastic fans. The score was fourteen to nothing in favor of Auburn, but the game was very much better than the score would indicate. In the first inning neither side got a man to first base, and there were five innings in which neither side scored. In the fifth and seventh the home team made some costly errors, which piled up several Auburn runs. The Americans played great ball, and their battery, Tippet and Doherty, was exceptionally good.

On Monday a largely attended meeting of the Nova Scotia Fruit Shippers' Association was held at Kentville. About thirty-five members were present from different parts of the Valley. The President, Mr. A. E. McMahon, was in the chair, and the annual report and financial statement was presented by the Secretary, Mr. Stanley Craze.

The election of officers resulted in the following being appointed: President—S. B. Chute. Vice-President—H. Oyer. Secretary—Stanley Craze. Executive with above officers—W. H. Chase, H. H. Bligh and A. E. McMahon.

The matter of ocean rates was fully discussed and the rate reported to the meeting was \$1.25 per barrel. It was generally considered by those who entered into the discussion that the rate should be one dollar per barrel. However, last year the rate at the opening of shipping was \$2.50 per barrel, and it was reduced one dollar per barrel during the season. The rate of \$1.25 per barrel at the opening is quite a reduction over last year.

While this reduction in ocean freight rates was favorably commented on, there has been no corresponding decrease in railway rates. In the discussion on this point, satisfaction was expressed at the statements recently made by Honorable F. B. Carvell, Chairman of the Railway Commission, to the effect that he had sufficient information to warrant a decrease in railway freights.

The members present were very pleased with the work done by the Association last year, and the great benefits accruing to both shippers and consumers by their efforts. By their efforts, a better distribution of fruit was given to the various markets, and thus better prices realized than if markets over-stocked.

FORESTERS MEET IN HALIFAX  
Among the prominent members of the Independent Order of Foresters from outside points who attended the convention in Halifax, were: Dr. C. J. McNally, of Berwick, High Physician; H. L. Dennison, K.C., of Kentville, High Councillor; Judge J. A. Grierson, of Weymouth, Past High Chief Ranger; James E. Yould, of Kentville, High Vice Chief Ranger, and Rev. L. Daniel, of Shelburne, High Orator.

The other High Court officers are: H. Organist—Comp. Laura Hains, Canning. H. S. W.—Bro. John W. Parker, Canning. H. J. W.—Bro. Lorne H. Coyle, Hantsport. H. Marshall—Bro. C. A. Merry, P. H.V.C.R., Kentville. H. Cond.—Bro. W. L. Irish, Mulgrave. H. Mass.—Bro. J. Robson, Sydney. H. S.B.—Bro. R. B. Moxon, P.H.V. C. R., Halifax. H. J. B.—Bro. Byron Morse, Lawrencetown.

You will find honesty among thieves, truth among fools, but you will find few sparks of manhood, womanhood or principle in a knocker. A thief might have a kind heart; a fool might be a faithful friend; but a man who knocks his home town isn't worth the hole in a doughnut in any sort of human relationship.

## BRIDGETOWN VS. STELLARTON

### Rain Prevents Play For Some Hours And Game Ends In a Draw.

The visit of the touring Stellarton team had been looked forward to with much interest by the Bridgetown cricketers but unfortunately the game was spoiled through rain. The Stellarton team arrived with a great reputation as they had, during their Valley trip, beaten Windsor by 153 runs to 43 and 18, defeated a combined Wolfville and Kentville team by 177 runs to 60. The visitors batted first and scored 88 runs. W. Cummings 27, R. Forrester 15 and F. McKenzie 14, being the chief contributors and declared their innings closed with 8 wickets down. W. Donat and C. Ollerhead, shared the bowling and each secured 4 wickets. They were backed up by very smart fielding by the Bridgetown eleven, the catch with which R. Whiteway dismissed W. Cummings being a particularly fine one-handed effort. Owing to the late start, Bridgetown was left with less than an hour to get their runs but despite vigorous hitting by R. Whiteway, who scored 18, C. S. Bothamley 13 and L. M. Ruggles 11, the time to draw stumps arrived with 9 men out and the total 57. The game therefore ended in a draw.
