## History of Canada,

By REV. W. H. WITHROW, D.D.

**With an Outline History of Can-  
adian Literature.**

By G. MERCER ADAMS.

Cloth. . . . 60 cents.

This excellent epitome of Canadian History and Literature was placed on the C.L.S.C. Course for last year, and is now being used in the reading courses of some of the Epworth Leagues. Its use should be encouraged. Our young people should be made familiar with the history and literature of their country. There is much in both to kindle the fire of patriotism and give just cause for worthy pride.
