

MARKET REPORTS.

CANADA LUMBERMAN OFFICE,
TORONTO, 13th Jan'y. 1881.

Business has been steady during the past week. Orders from western villages and towns, however, are coming in freely, and stocks are keeping up from northern and eastern arrivals. Building continues fairly brisk, no complaints of workmen remaining idle for want of work. Dry lumber is getting somewhat scarce. There will be very little on hand by April. Reports from all quarters relating to logging and getting out square timber are most favourable. Good sleighing all over the country from Sarnia to Cape Breton.

CHATHAM, Dec 2, 1880.

F. CRUMPTON.

Dear Sir,—The watch which I
ordered from your Catalogue was
received yesterday, and I must
say that I was greatly pleased
with it; in fact, if I had person-
ally selected it, I could not have
selected any better. It is just
what I wanted. If I want any-
thing in future, I shall know
where to procure it at a reason-
able figure.

Yours very truly,

J.
