Scientific and Useful.

NEVER put a hot iron directly upon silk—it takes the life out of it.

PICKLES or vinegar will not keep in a jar that has ever had any kind of grease in it.

PAINT spots may be removed from any kind of clothing by saturating with equal parts of turpentine and spirits of ammonia.

FOR "greasing" the griddle, cut a white turnip in halves and rub the griddle with it. It causes no smell, taste or adhesion, and is better than butter or grease.

THE most severe cough or hoarseness may be relieved by applying to the chest, as quickly as possible, a flannel wrung out of boiling water, and on which turpentine is sprinkled.

—LYDIA E. PINKHAM'S Vegetable Compound is a most valuable medicine for ladies of all ages who may be afflicted with any form of disease peculiar to the sex. These remedies are not only put up in liquid form but in pills and lozenges in which form they are securely sent through the mails.

POT-OVERS. One egg, one cup of flour, piece of butter, size of walnut, salt to taste, one teaspoonful of baking powder. Bake in cups, eat warm with cream and sugar; this makes three cups.

IRON rust may be removed from delicate garments, upon which you dare not try oxalic acid, by mixing the juice of a lemon with some salt, put this over the rusted spots, and then hold over the spout of a steaming tea-kettle. This is almost always effectual.

BANANA CAKE:—One of the novelties and luxuries of the period is banana cake. Take one cup of butter, two cups of sugar, one cup of water or of sweet milk, three eggs, four cups of flour, two small teaspoonsful of baking powder. Mix lightly and bake in layers. Make an icing of the whites of two eggs, and one cup and a half of powdered sugar. Spread this on the layers, and then cover thickly and entirely with sliced fine. The cake may be flavoured with vanilla. The top should be simply frosted.

—TAPIOCA JELLY.—Tapioca jelly is really delicious. Soak half a cupful of tapioca in two cupfuls of water for four hours. Sweeten to taste and place the vessel in another containing boiling water. Let it cook about an hour, stirring frequently. It should be quite clear. Add the juice of half a lemon and a little of the grated skin. Pour into little moulds, and serve, when cold, with cream sweetened and flavoured.

COMPELLED TO YIELD.—Obstinate skin diseases, humors of the blood, eruptions and old sores are cured by Blood Bitters, which purify and regulate all the secretions.

STUFFED EGGS.—Cut six boiled eggs in two. Take out the yolks and mash them fine. Add two tablespoonfuls of butter, one of cream, two or three drops of onion juice, and salt and pepper to taste. Mix all thoroughly. Fill the eggs from the mixture, and put them together. There will be a little filling left, to which add a well beaten egg. Cover the eggs with this last preparation, and roll in cracker crumbs. Fry in boiling lard until a light brown.

LIFTING FURNITURE.—Many housekeepers dread the labour of lifting heavy furniture during house-cleaning. The carpet must be removed, cleaned and replaced, and a heavy bookcase or case of drawers, is not easily raised from the floor, and many a lame back is the result. All this hard work is entirely unnecessary. Procure a stout wooden lever, four or five feet long, or longer, and about double the size of a common crow-bar, and placing the stout end under the heavy furniture, raise gradually a fourth or half an inch, for withdrawing or replacing the carpet. Articles weighing several hundred pounds, heavy stoves, etc., may be thus raised with the exertion of a little strength, or with one hand.

The present cold snap is sufficient to give our readers an idea of what they may expect during the next three months, and we would advise them to take advantage of the great winter sale of mantles, fur capes, overcoats, underclothing, blankets, flannels, etc., now going on at Twenty's.

AFTER TWENTY-THREE YEARS' SUFFERING.—Rev. Wm. Stow of Warton, was cured of scrofulous abscesses by seventeen doctors could not cure. Burdock Blood Bitters was the only successful remedy. It cures all impurities of the system.

Scott's Emulsion of Pure COD LIVER OIL, WITH HYPOPHOSPHITES. Excellent for Delicate and Invalid Children.

DR. CHARLES C. GARRATT, of Toronto, says "I have used Scott's Emulsion for over a year, and have derived much benefit from it in the marasmus of children, being tolerated by the stomach, when all other medicaments were rejected."

Loss and Gain.

CHAPTER I.

"I was taken sick a year ago With bilious fever."

"My doctor pronounced me cured, but I got sick again, with terrible pains in my back and sides, and I got so bad I could not move! I shrunk!

From 228 lbs. to 120! I had been doctoring for my liver, but it did me no good. I did not expect to live more than three months. I began to use Hop Bitters. Directly my appetite returned, my pains left me, my entire system seemed renewed as if by magic, and after using several bottles, I am not only as sound as a sovereign, but weigh more than I did before. To Hop Bitters I owe my life." Dublin, June 5, '84. R. FITZPATRICK.

CHAPTER II.

"Malden, Mass., Feb. 1, 1884. Gentlemen—I suffered with attacks of sick headache.

Neuralgia, tematic trouble, for years in the most terrible and excruciating manner.

No medicine or doctor could give me relief or cure, until I used Hop Bitters.

"The first bottle Nearly cured me;"

The second made me as well and strong as when a child,

"And I have been so to this day."

My husband was an invalid for twenty years with a serious

How to Get Sick.—Expose yourself day and night; eat too much without exercise; work too hard without rest; doctor all the time; take all the vile nostrums advertised, and then you will want to know how to get well, which is answered in three words—Take Hop Bitters!

None genuine without a bunch of green Hops on the white label. Shun all the vile, poisonous stuff with "Hop" or "Hops" in their name.

Coughs and Colds that we so frequently neglect and which so often prove the seed for a harvest of consumption, should have prompt and thorough treatment. A teaspoonful of Dr. J. C. Humphrey's Phosphoric Eucalypti taken whenever the Cough is troublesome, will relieve the patient, and persevered in, will effect a cure in the most obstinate cases.
