S. S. LESSONS FOR 1890.
THE PEOPLE'S
COMMENTARY
ON THE
GOSPEL OF LUKE.

By THE REV. EDWIN W. RICE, D.D.

Full Text of the Authorized and Revised Versions, with complete Critical, Exegetical and Applicative Notes, clearly explaining the Gospel.

REASONS WHY
Every Pastor, Teacher, Student, and Reader of the Bible should have it:

- 1.—It presents convincing Biblical and Historical testimony in regard to the author and authority of Luke's Gospel.
- 2.—It has an able, scholarly and interesting account of the composition, language and vocabulary of the Gospel, not to be found elsewhere.
- 3.—It applies the latest results of Biblical research and knowledge to the interpretation of the text of the Gospel.
- 4.—It aids every one to read the Gospel as if he were in Palestine, and familiar with the scenery, people and habits of life, speech and thought common there when Jesus was upon the earth.
- 5.—The comments are grouped under topical divisions of the text, and under each verse, also, for quick reference, followed by suggestive lessons for the use of the preacher and teacher.
- 6.—The text of the whole Gospel in the two Versions, "Authorized" and Revised, is given in full at the foot of the page.
- 7.—The Notes are evangelical, sound, non-sectarian, representing the best thought of eminent Biblical scholars from the early Christian fathers until now, carefully sifted and concisely stated for the ordinary reader.

CLOTH. 12mo. 331 PAGES.
Handsomely Illustrated.

IT IS A WELL-KNOWN FACT THAT
McCOLL'S
"LARDINE"

Is the best known and most reliable Machine Oil in the Dominion. Farmers, Threshers, and Mill Owners will find it decidedly to their advantage to insist upon getting the "Genuine Lardine" when they ask for it, owing to so much inferior oil being sold under the same name by unscrupulous dealers. We are the sole manufacturers of the "Genuine Lardine." Every barrel branded.
