This medicine is an anodyne expectorant, potent in its action to check the advance of disease, allaying all tendency to inflammation and Consumption, and speedily restoring health to the afflicted. \*\*On several occasions, during the past year, I have used Ayer's Cherry Pectoral. An experience of over thirty years enables me to say that there is no better remedy for Sore Throat and Coughs, even of long standing, than Ayer's Cherry Pectoral. It has ever been effective in my personal experience, and has warded off many an attack of Croup from my children, in the course of their growth, besides giving effective relief from Colds. — Samuel Motter, Editor of the *Emmitsburg Chronicle*, Emmitsburg, Md.

I have used Ayer's Cherry Pectoral, in my family, for a number of years, and with marked success. For the cure of Throat and Lung Complaints, I consider this remedy invaluable. It never fails to give perfect satisfaction. — Elihu M. Robertson, Battle Creek, Mich.

Two years ago I was taken suddenly ill. At first I supposed it was nothing but a common cold, but I grew worse, and in a few weeks, was compelled to give up my work. The doctor told me that I had Bronchitis, which he was afraid would end in Consumption. I took two bottles of Ayer's Cherry Pectoral, and was entirely cured. — J. L. Kramer, Danbury, Conn.

My Medical Discovery seldom takes hold of two people alike! Why? Because **NO TWO PEOPLE HAVE THE SAME WEAK SPOT.** Beginning at the stomach it goes searching through the body for any hidden humor. Nine times out of ten, **INWARD HUMOR** makes the weak spot. Perhaps it is only a little sediment left on a nerve or in a gland; the Medical Discovery slides it right along, and you find quick happiness from the first bottle. Perhaps its big sediment or open sore, well settled somewhere, ready to fight. The Medical Discovery begins the fight, and you think it pretty hard, but soon you thank me for making something that has reached your weak spot. Write me if you want to know more about it.
