REV. HENRY POPE, D.D.

One of the Fathers of Methodism in the Lower Provinces, writing to the Hawker Medicine Co., St. John, N. B., under date of March 21st, 1894, says:

"For several years I have suffered, almost continuously, many of the distressing ills resulting from sluggishness of the liver, realizing from various medicines but partial and only temporary relief. Nine months ago I determined to test the efficacy of Hawker's Liver Pills. To-day I am happy to inform you of the great benefit I have derived from their use. In my case they have proved a decided success.

"During this winter my family and myself had a visitation of *la grippe*, which left us in a generally emaciated condition. We obtained your Hawker's Nerve and Stomach Tonic, and after using it for a few days, as prescribed, so sensibly and manifestly did we regain our strength and energy that I can and do confidently recommend it as one of the surest and best invigorators of the age.

"Wishing you the largest success in your laudable enterprise,

"I am gratefully yours,
"HENRY POPE."

A THOUSAND

THANKS FOR

Rev. M. E. Siple, of Whitevale, Ont., writes: "I had suffered indescribable torture for two years or more, that is at times, from dyspepsia. Fearful pain and load in stomach, pain between shoulders, and sensation as of being pulled right in two, in small of back. I dieted, used patient medicines, and different doctors' medicines, all to no use. Your **K. D. C.**, third dose, completely relieved me, and four bottles, I believe, have cured me. A thousand thanks. I can study, preach, and do my work now with energy and satisfaction, as of yore.

"Was troubled with continual Headache and Loss of Appetite, but before I had taken many doses of B.B.B. appetite and health returned."
