

The extracts published here have been received during the past month in *bona fide* letters of thanksgiving. The Editor does not vouch for anything more.

ALEXANDRIA. — For improvement in health, after visits to the Blessed Sacrament, and the novena of grace. For several other favors.

BARRIE. — For a very great favor received, after several novenas and a promise to have a high mass said in honor of the Sacred Heart.

BATHURST. — For the conversion of two friends, shortly after sending in the intention.

DEBEC, N. B. — For restoration to health of a near relative.

DOUGLASTOWN, GASPE. — For the recovery of a little boy from a severe illness, after two masses and novena to Sacred Heart.

DUNDALK, ONT. — For the success of a very critical operation.

GUELPH. — For restoration to health with promise to publish.

HALIFAX. — For success in business and several other favors.

KIRKFIELD. — For temporal favor received with promise to publish.

KINGSTON. — For the return of a son to the Sacraments, after saying the Litany of Sacred Heart and prayers to the Blessed Virgin.

LONDON, ONT. — For a marvellous recovery from severe ulcerous illness when physicians had given up hope.

MONTREAL. — For the reformation of a drunken father, after the Stations of the Cross and promise to publish in the MESSENGER. For the success of a student in his examinations, after a promise to publish in the MESSENGER. For a great favor received, through the intercession of Ven. Mother Barat, R. S. H. Thanksgiving to the Sacred Heart and good St. Joseph for the return of two careless Catholics to the faith.

OTTAWA. — For promotion in business and raise in salary with promise to publish. For a great temporal favor received, after a novena of grace made in honor of St. Francis Xavier.

PRESTON. — For having obtained the grace and strength to keep Lent.

QUEBEC. — For an almost miraculous recovery from a very serious illness, and for many important and spiritual favors during the last four months.
