LUMSDEN & WILSON'S

FOOTBALLS

Made in Glasgow and as used by the Scottish Football Association there is offered in Canada a football made in imitation of the above design. It is very nice to look at, but for wearing qualities it will not compare with these, as many have found by experience. Had we room we could give scores of letters in corroboration of this. Beware of a fancy looking "match" ball. Ours are all filled with Mackintosh's Best Quality Grey Rubbers, stamped and tested.

Manual of Punctuation

AND SOME

TYPOGRAPHICAL MATTERS

Designed for Printers, Students, Teachers, and Writers, by

JAMES P. TAYLOR

This little book of eighty-two pages aims to make every student of it an adept in the art of punctuation, and we do not think we claim too much for it when we say that it will accomplish all it aims to.

The exercises, one or two excepted, have not been taken from any work on the subject, but from every outside source that provided the best for illustrating the subject. Many have been taken from the School Readers; and it is believed that they are sufficiently numerous and well chosen to afford all necessary assistance to aspirants for proficiency in this much neglected art.
