DANIEL & BOYD, 27 MARKET SQUARE, ST. JOHN

Consumption and Wasting Diseases.

L. de Bremon, M.D., Knight of Legion Honor, in his work on Consumption, says: "The Chemicall, of Paris, never mixes Iron with either of the Alkaline, Lime and Soda Hypophosphite Salts. He considers the mixture of Hypophosphites objectionable, preferring in fact the Salts separate, giving them alternately according to the Physiologic or Pathologic symptoms produced by either. He also says that the Hypophosphite Salts as sold are generally impure."

EGGAR'S PHOSPHOLEINE contains PURE HYPOPHOSPHITES with NORWAY COD LIVER OIL only. It is free from Iron or any other chemical which will account for its superiority to all other preparations offered for Wasting Diseases.

Since giving you my last certificate I have had many opportunities of further testing your Cod Liver Oil Cream and as well as comparing its action with the EMULSION AND PREPARATIONS OF OIL IN THE MARKET. I may state that I BELIEVE IT TO BE THE BEST PREPARATION NOW OFFERED TO THE PUBLIC, the drugs and oil being of the every finest quality, while the facilities and machinery used for mixing them are of the most perfect kind. I have no hesitation in stating that where Oil is indicated EGGAR'S CREAM WILL BE FOUND TO BE EVERYTHING THAT IS CLAIMED FOR IT BY ITS PROPRIETOR.
