SMITH'S AMERICAN ORGANS!
FACILITIES
For the production of Musical Instruments consists of
Well-chosen Materials,
Labor-saving Machinery,
Musical Knowledge and Experience,
Refined Taste in Decoration,
Division of Manual Labor,
Active Personal Supervision, and
Ample Capital.
The Messrs. SMITH believe that their FACILITIES ARE UNEQUALLED and that their establishment cannot be surpassed in any of these particulars.
But it is not claimed that the AMERICAN ORGAN is sold at the lowest price,—as the manufacturers have no desire to waste their time upon feeble and characterless instruments, nor to furnish a supply of dissatisfactions, even at the low price of \$50 each. Nothing worthy can be produced for such a sum
BY ANY HOUSE WHATSOEVER.
THE Messrs. SMITH mean to make ONLY the best reed instruments, and they are satisfied that the discriminating public is willing to pay the value of what it gets.
THE AMERICAN ORGAN
is elegant in appearance,—thoroughly constructed,—with powerful and steady bellows,—with exquisitely-voiced reeds,—finely contrasted qualities of tone, and ingenious mechanical contrivances for increase of power and for expression.
This excellence is not the result of chance, but follows their well-devised system, so that each Organ is perfect of its kind; there is no more chance for inferior work than in the Springfield Armory.
EVERY INSTRUMENT IS WARRANTED.

Ayer's Sarsaparilla,
FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are truly marvellous. In various cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by its use. Scrofulous affections and disorders, which were aggravated by the scrofulous contamination until they were painfully afflicting, have been radically cured in such great numbers in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt taint of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this **SARSAPARILLA**: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other eruptions or visible forms of Scrofulous disease. Also in the more concealed forms, as **Dyspepsia, Dropsy, Heart Disease, Eitis, Epilepsy, Neuralgia, and the various Ulcerous affections of the muscular and nervous systems.**

Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. **Leucorrhoea or Whites, Uterine Ulcerations, and Female Diseases,** are comparatively cured and ultimately cured by its use. It is a most powerful and invigorating agent. Minute Directions for each case are found in our Almanac, supplied gratis. **Rheumatism and Gout,** when caused by accumulations of extraneous matters in the blood, yield quickly to it, as also **Liver Complaints, Constipation or Inflammation of the Liver, and Jaundice,** when arising, as they often do, from the rankling poisons in the blood. This **SARSAPARILLA** is a great restorer for the strength and vigor of the system. Those who are **Wearied and Listless, Despondent, Sleepless,** and troubled with **Nervous Apprehensions or Fears,** or any of the affections symptomatic of **Weakness,** will find immediate relief and convincing evidence of its restorative power upon trial.

AYER'S HAIR VIGOR,
For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. This hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a
HAIR DRESSING,
nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
