Thousands cured of Catarrh, Bronchitis Asthua and Lung diseases by Dr. Ma. Son-

very last stage. Write for particulars to Dr. M. Souvielle, ex-Aide Surgeon of the French

Army, 13 Phillip's Square, Montreal. Read

(From the Montreat Gazelte, December 24th, 1880.)
We are pleased to notice that a great

many of our best citizens have bought Dr.

M. Souvielle's Spirometer, which is used

for the cure of those terrible diseases known

by the name of Nasal Catarrh, Bronchitis and

Asthma, and it is so highly spoken of as if

those instruments and preparations were in-

fallible in the cure of such complaints, and, to satisfy our our oniosity, we visited Dr. M. Sauvielle at his office, 13 Phillips' Square, Montreal, and gave a thorough examination

of his invention, so that we can speak with

our own authority of it. We think that such

a method, which conveys medicinal proper-

ties direct to the organs affected by those

distressing diseases, cannot fail to be a benefit

to humanity, instead of pouring drugs into the stomach and deranging digestion. These

wonderful instruments, with their contents, were invented by Dr. M. Souvielle after long

and careful experiments in chemical analysis,

and used in hundreds of cases treated by him

in the hospitals of Europe. We find the Doctor a well learned gentleman, and he in-

vites physicians and sufferers to try his in-

and inventor of the Spirometer for the scien-

tific treatment of diseases of the lungs and

air passages, who recently took up his resi-

dence among us, is meeting with excellent

success. Already the doctor has had hun-

dreds of patients, who have given his system

a trial, and, so far as we have learned, with

both satisfaction and benefit. Dr. Souvielle

makes a departure from the usual methods of

treating diseases of the air passages. He

contends that the proper mode of treating

them is by inhalation and absorption, not by

pouring drugs into the stomach and thus up-

setting and disarranging one part of the sys-

tem in the hope of benefitting another. This

being common sense, which is always the best kind of sense. The doctor certainly

has the courage of his opinions and confi-

dence in his system, for he gives a standing

invitation to physicians and sufferers to visit

him and test his instruments free of charge.

His office is at 13 Phillip's Square, Montreal.

DANIEL SHANKS. Cairo, Nov. 9 .- Another revolt which was imminent has just been avoided. Consul General Wolf has just had a two hours' interview with Araby Bey. Mr. Wolf impressed Araby Bey with the fact that his conduct was exactly what the enemies of Egypt wanted, and that the abuses he wished to remove were the result of centuries of misconsists in the individual economy of the people. Therefore all the people of Montreal should have their Dresses, Coats, Pauts, Snawls, Curtains, Table and Plano Covers, &c., &c., Cleaned, or Dyed at the ROYAL DYE WORKS, the place where good work and satisfaction is guaranteed. rule. Hence he must proceed slowly. Araby said: "I wish to establish a responsible government and am ready to die for that end. The Khedive is the first of his race who is not bloodthirsty and avaricious. I will not meddle with foreign affairs. I will obey the present Ministry." The result of Consul General Wolf's endeavors was that Araby Bey called on the Khedive and Cherif Pasha and left Cairo. The Khedive and the Cherif heartily thanked the American Consul General for the tact and zeal he displayed in avoiding a serious orisis, v If Araby Bey can control the excitement he has aroused all may yet be well.

Spavin Cure.

THE MOST SUCCESSFUL REMEDY ever

THE MOST SUCCESSFUL REMEDY ever discovered, as it is certain in its effects and does not blister. Also excellent for human flesh. Read proof below.

From COL. L. T. FORTER.

YOUNGSTOWN, Ohio, May 10th, 1880.

DR. B. J. KENDALL & CO., Genis:—I had a very valuable Hambletonian colt which I prized very highly, he had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons which failed to cure him I was one day reading the advertisement of Kendall's Spavin Cure in the "Chicago Express." I determined at once to try it, and got our druggists here to send for it, they ordered three bottles; I took them all and thought I would give it a thorough trial, I used it according to directions and the fourth day the colt cassed to be lame, and the lumps have disappeared. I used but one bottle and the colts limbs are as free from lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles, who are now using it. Very Respectfully.

B. J. Kendall's Co., Gents:—Having got a horse book of you by mail a year ago, the contents of which persuaded me to try Kendall's Spavin Cure on the hind leg of one of my horses, which was badly swollen and could not be reduced by any other remedy. I got two bottles of Kendall's Spavin Cure of Preston Ludduth, Druggists, of Waseca, which completely cured my horse. About five years ago I had a three year old colt sweenled very bad. I used your remedy as given in your book without roweiling, and I must say, to your credit, that the colt is entirely cured, which is a surprise not only to myself, but also to my, neighbors. You sent me the book for the trifling sum of 25 cents, and if I could not get another like it I would not take twenty five dollars for it.

Yours, truly,
