it is unsurpassed. It is moreover, when diluted with water, the very best dentifrice imparting to the teeth that clear pearly appearance, which all Ladies so much admire. As a remedy for foul or bad breath it is when diluted, most excellent, neutralizing all impure matter around the teeth and gums, and gums and making the latter hard, and of a beautiful color. With the very elife of fashion it has, for a quarter of a century, maintained its ascendency over all other Perfumes, throughout the West Indies, Mexico, Central and South America, &c., &c.; and we confidently recommend it as an article which, for soft delicacy of flavor, richness of bcquet, and permanency, has no equal. BRISTOL'S SUGAR-COATED PILLS

Has stood the test of seven years before the public; and no prepara-tion for the hair has yet been dis-covered that will produce the same booding to service the same covered that will produce the same beneficial results. It is an entirely new scientific discovery, combining many of the most powerful and re-storative agents in the VEGETABLE KINCDOM. It restores GRAY HAIR TO ITS ORIGINAL YOUTHFUL COLOR. It makes the scalp white and clean cures dandruff and COLOR. It makes the scalp white and clean; cures dandruff and humors, and falling out of the hair; and will make it grow upon bald heads, except in very aged persons, as it furnishes the nutri-tive principle by which the hair is nourished and supported. It makes the hair moist, soft, and glossy, and is unsurpassed as a HAIR DRESSING. It is the cheapest preparation ever offered to the pub-lic, as one bottle will accomplish more and last longer than three more and last longer than three

bottles of any other preparation. It is recommended and used by the First Medical Authority.

The wonderful results produced by our Sicilian Hair Renewer have induced many to manufacture pre-parations for the Hair, under various names; and, in order to in-duce the trade and the public to purchase their compounds, they have resorted to falsehood, by claiming they were former partners, or had some connection with our Mr. Hall, and their prepara-tion was similar to ours. Do not be deceived by them. Purchase the original: it has never yet been equalled. Our Treatise on the Hair, with certificates, sent free by mail. See that each bottle has our private Revenue Stamp over the top of the bottle. All others are imitations.
