THE STORY OF A YOUNG FINANCIAL MAN'S SUCCESS.—A financial man, thirty-three years of age, came to our office four years ago to take up a new line of business—a line against which he had been prejudiced, but which he knew carried great rewards for the successful. His average commissions this year will be over \$5,000.00, and he has built up a future income of over \$3,000.00 a year on business already written. We are enlarging our organization to prepare for an enormous expansion of business during the next few years. We have positions for two good men with successful records. This offer will be open during the next week. Only applicants of unquestioned integrity and with the highest references will be considered. W. A. Peace, Manager Toronto Branch, Imperial Life Assurance Company, 20 Victoria Street, Toronto.

The Manitoba government established a purchasing department to-day. Everything required by any of the departments will be requisitioned and put through the purchasing department. The head of the new department is Mr. E. A. Gilroy, former auditor of purchases, and he will be known as the government's purchasing agent. Mr. H. Hurd will be the assistant purchasing agent.
