

THE NATIONAL APPRAISAL CO.

has 12 years' record of success in the making of detailed appraisals of all kinds of manufacturing property. Its valuations serve as a basis for placing insurance; for proof of loss in case of fire; for adjusting book values where arbitrary rates of depreciation have been applied annually with consequent unreliable results; for adjusting partnership relations; and for fixing an equitable valuation for sale, combination, audit or other financial purposes.

When plants are to be sold or consolidated, or additional capital is required, its appraisals are indispensable in fixing the true present worth of the physical property, *because they are expert and are disinterested.*
