STEEL SHIPBUILDERS

We are constructing in Vancouver Ten Steel Cargo Steamers, 8,800 deadweight tons capacity. Scotch boilers for these vessels are being built in our Shops in Vancouver.

STRUCTURAL STEEL FABRICATORS

We have a well-assorted stock of I-Beams, Channels, H-Sections, Angles and Plates and are well-equipped to do any Fabricating work expeditiously and economically.

Yards: FALSE CREEK VANCOUVER, B. C.

The World's Greatest Laborer

Electric Power

No matter what industry you may be in, if you are using power, you will find power from central station has many advantages over that procured from your private plant. None the least of these is its flexibility and economy.

If you are enlarging your plant or establishing a new one, your logical supply of power is electric. Let us advise you on your installation.

Men's Coats Made of English Gabardine \$40.00

HANDSOME OVERCOAT for spring wear, made from a superior quality wool gabardine in a good fawn shade. Tailored in the popular single-breasted style with loose belt and leather-covered buckle, convertible collar and sleeve tabs with smart raglan shoulders and through cut slash pockets, lined throughout with checked wool plaid lining. It is tailored and finished in first-class style and has an attractive dressy appearance. The garments bears the aquatite label, which stands for quality. Sizes 34 to 42, \$40.00.
