

While this monograph represents the views of the Government of Canada, comments from the territorial governments of the Yukon, the Northwest Territories, and Nunavut, as well as from several Indigenous organizations, including the Inuit Circumpolar Conference Canada and the Inuit Tapirisat of Canada, were very beneficial in its preparation.

For Canada, sustainable development is best represented as a journey, not a destination. The monographs described above, as well as the other monographs in the Sustainable Development in Canada Monograph Series, are milestones on this journey, and we invite you to join us and share our experiences.
