

Investment Promotion

The Investment Promotion Division acts as the Department's focal point for investment promotion. Among its activities, it attracts, expands and retains foreign direct investment by showcasing Canada's investment strengths. It also addresses business climate issues, services investment inquiries and assists with the development of customized investment campaigns.

Professional Association of Foreign Service Officers

The Professional Association of Foreign Service Officers (PAFSO) acts as the official bargaining agent for Foreign Service officers. It promotes the professional development of its members through a number of activities, including the publication of its quarterly magazine, *Bout de papier*.
