

use of United States Engineer troops for surveys and initial construction.

- (b) Arrange for the highway's completion under contracts made by the United States Public Roads Administration and awarded with a view to insuring the execution of all contracts in the shortest possible time without regard to whether the contractors are Canadian or American.
- (c) Maintain the highway until the termination of the present war and for six months thereafter unless the Government of Canada prefers to assume responsibility at an earlier date for the maintenance of so much of it as lies in Canada.
- (d) Agree that at the conclusion of the war that part of the highway which lies in Canada shall become in all respects an integral part of the Canadian highway system, subject to the understanding that there shall at no time be imposed any discriminatory conditions in relation to the use of the road as between Canadian and United States civilian traffic.
