## FEDERAL-PROVINCIAL TRADE MINISTERS' MEETING

---

The Honourable Gerald Regan, Minister of State (International Trade), announced today that he has invited Provincial Ministers responsible for international trade to meet with him in Ottawa on October 31, 1983.

In making the announcement, the Minister noted that there have been several important developments concerning Canada's trade policy and export development activities since the last meeting of Federal and Provincial Ministers in April, 1983, notably the release of the Federal Government's Trade Policy Review. Mr. Regan reaffirmed the importance the Federal Government attaches to a strong trade performance and his continuing commitment to work closely with his provincial counterparts to increase Canadian exports.
