EXPLANATORY NOTE

NOTE EXPLICATIVE

This bill would ensure that all beverages sold in Canada  
are sold in refillable bottles.

Ce projet de loi fait en sorte que toute boisson vendue au  
Canada le soit dans un contenant réutilisable.

This bill would also require every retailer to pay a  
certain amount of money to a person who returns such a  
refillable container.

De plus, ce projet de loi oblige tout vendeur au détail à  
remettre une certaine somme d'argent à la personne qui  
rapporte un tel contenant.
