QUESTION PASSED AS ORDER FOR RETURN

ARMED FORCES—AWARDS

Mr. PEARKES:

1. How many foreign awards have been granted to personnel of the Canadian armed forces since September, 1939?

2. By what countries have these awards been made?

3. How many British awards were granted to personnel of allied forces upon the recommendation of the Canadian government?

Mr. LAPOINTE: I may tell the hon. member that the minister intends, when his estimates come before the house, to lay on the table the list of all awards to complete those that have already been tabled, and also a summary of all awards since 1939. If the hon. member wishes to have that information earlier, this question can be made an order for return, but the information will be given when the estimates are brought down.

Mr. PEARKES: May I have it answered?

Some hon. MEMBERS: Dropped.

Mr. LAPOINTE: I do not understand whether the hon. member agrees to drop it or whether he wants to have it made an order for return. I did not hear him.

Mr. PEARKES: I should like to have it answered.

Mr. LAPOINTE: Order for return.

MR. FLEMING—MARINE INSURANCE BROKERAGE—REQUEST FOR REINSTATEMENT OF QUESTION

Mr. DONALD M. FLEMING (Eglinton): Before you leave questions, Mr. Speaker, may I remind you that on Monday I called your attention to the fact that one of the questions, which appeared as No. 3 on Monday's order paper, had not been answered in the answers tabled in the house by the Parliamentary Assistant to the Minister of Finance. My remarks will be found on page 2485 of *Hansard*. Is the parliamentary assistant in a position now to supply the answer to the fifth question, which was not answered at that time?
