

Dr. McCarthy

-2-

November 28, 1929.

do anything within our power to meet your wishes. You will remember that quite recently, when you were anxious to have the Chancellor speak to you you wrote to me and I was only too pleased to urge Mr. Beatty to go. I believe you had a most successful meeting and I know that Mr. Beatty enjoyed meeting you, for he has told me so.

I hope I have explained away any misunderstanding and that none will arise in future.

Ever yours faithfully,
