

CROP PROSPECTS OVERAWE BULLS

Outlook for Exports to Europe Had No Effect on Wheat.

CHICAGO, April 4.—Bearish influence of the largest acreages and the finest condition of winter crop ever reported at this time of the year, held down today the price of wheat. The market, although firm at the close, was on the same level as last night, to 1-16 lower. In the other leading staples, there was a net decline all around. Corn 1-8 to 3-8, oats a shade to 1-16 and provisions 1-16 to 1-8.

Notwithstanding that Argentine supplies of wheat are remarkably small, and that Europe may be forced to come to the United States for large amounts, the majority of speculators took notice mainly of the continued extremely favorable crop reports. Advances from over the entire winter belt were so unusual, the acreage so large, and the progress of the plant so near faultless, that the trade was constantly reminded of estimates of a possible harvest of 600,000,000 bushels.

Some little export business at New York for Portugal helped to rally wheat prices moderately after an early decline. Promise of lighter world shipments and of a falling off in the domestic visible supply tended also to give more or less comfort to the bulls.

Recovery in Corn.
Corn, after having weakened with wheat, and because of the slowness of the shipping demand, made a recovery on account of an advance in ocean freight rates from Argentine. Nevertheless, Montreal was said to be offering Argentine corn to Chicago at 3-4c concession compared with yesterday.

Prospects that seeding will be general in Illinois next week had a bearish effect on oats.

Enlarged stocks of meats in warehouses turned the provision market down. Advancing prices for hogs were ignored.

ST. LAWRENCE MARKET.

Receipts of farm produce were fairly liberal. There were 400 bushels of grain, 7 loads of hay, and about 50 conveyances of one kind or another filled with all kinds of seasonal produce in the north market building, and a large delivery of butter and eggs, but a small delivery of poultry on the basket market.

Trade was active and prices firm in all classes of produce, excepting eggs, which were plentiful and cheaper than at any time this year.

Wheat—One hundred bushels sold at \$1.00 per bushel. Hundred bushels sold at 41c per bushel.

Oats—Three hundred bushels sold at \$1.00 per bushel.

Hay—Seven loads sold at \$18 to \$19 per ton.

Potatoes—Several loads of potatoes sold at 80c to \$1.10 per bag.

Apples—There was a fair supply of apples, selling at 20c to 30c per basket, and from \$2.75 to \$4.75 per barrel.

Butter—Receipts were liberal, and, if anything, prices were easier, as there were not as many sales reported at 25c per pound as usual, and more at 23c to 25c per pound than at any time this season.

Eggs—Deliveries of eggs were large and prices lower than at any time this year. The highest price reported was 25c per dozen, retail, and 20c to 21c, wholesale. The bulk of the eggs sold at 23c to 25c, retail.

Poultry—Receipts of first-class chickens were small, and prices were very high, selling all the way from 25c to 35c per pound retail, and 20c wholesale.
