

TORTURED NO LONGER WITH ASTHMA

Sometimes He Had To Sit Up All Night For Weeks At a Time—Suffered For 15 Years Until He Cured Himself With "Fruit-a-tives."

D. A. WHITE, ESQ.

21 Wallace Ave., Toronto, Dec. 2nd, 1913.

"Having been a great sufferer from Asthma for a period of fifteen years (sometimes having to sit up nights for weeks at a time) I began the use of 'Fruit-a-tives.' These wonderful tablets relieved me of indigestion, and through the continued use of same, I am no longer distressed with that terrible disease, Asthma, thanks to 'Fruit-a-tives,' which are worth their weight in gold to anyone suffering as I did. I would heartily recommend them to all sufferers from Asthma, which I believe is caused or aggravated by indigestion."

D. A. WHITE.

Asthma is a disease of the Nerves. It usually attacks those of a highly strung nervous system—those whose nerves are easily affected by any disturbance of digestion. This is why 98 per cent. of those who suffer with Asthma also suffer with indigestion, Dyspepsia or Constipation. In Mr. White's case, his Asthma was cured at the same time that his indigestion was cured.

Why? Because "Fruit-a-tives" acts directly on stomach, bowels, kidneys and skin. "Fruit-a-tives" cleans the whole system of the poisons that are irritating the nerves. "Fruit-a-tives" sweetens the stomach, insures sound digestion and healthy appetite. "Fruit-a-tives" is a positive cure for Asthma and Hay Fever.

Box a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid on receipt of price by Fruit-a-tives, Limited, Ottawa.

ANOTHER LIBEL SUIT BROUGHT BY LARKIN

Nearly Half a Million Dollars is
Sum Now Involved.

Canadian Press Despatch.
MONTREAL, Nov. 20.—The alleged utterances of Ald. Vandell, and their subsequent publication in the columns of a local journal, form the basis of another suit entered by the Salada Tea Co., or business under this name and style. Mr. Larkin, after having sued Ald. Vandell and Le Presse for \$100,000 each, has now entered suit against Le Canada for \$500,000. The basis of suit in all cases is the allegation that, subsequent to the outbreak of the war, the Government of Canada forced the plaintiff to reduce the price of his tea.

This allegation is said to have been made by Ald. Vandell in the course of a public meeting, held at the St. Jean

Hobberlin is Selling a Tailored-to-Measure Suit or Overcoat for \$10.50.

A Remarkable Proposition

A sensation in tailoring lines is revealed in our advertising columns today through the announcement of the House of Hobberlin, Limited, 151 Yonge street. Their unusual values in high-grade tailoring at all times have built up a business today extending from the Atlantic to the Pacific.

But it is a genuine sensation when they put out for sale, Saturday and Monday of this week, seasonable materials that have sold regularly at \$30, and offer to make a tailored-to-measure suit or overcoat for \$10.50.

Such is the offer, full particulars of which are given in the large ad in another column.

Every provision has been made for the undoubted demand, there will be for these \$10.50 goods, by engaging a large staff of extra salesmen and practical men to take the customers' measure.

It is likely a case of "standing in line" Saturday morning to get into the Hobberlin store.

Drink O'Keefe's Beers

They are best for all purposes and purely Canadian made.

O'Keefe's Beers are products of which Canadians are justly proud. Only the best Canadian barley malt is used, the choice hops are largely Canadian grown and these are brewed with filtered water in Canada's cleanest, most up-to-date brewery by Canadian workmen.

Not only this, but all allied industries are Canadian—all bottles, Crown seal stoppers, cases, barrels and labels used by the brewery are "Made in Canada"—giving employment to still more Canadian workmen.

O'Keefe's brews are pure, brewed only from pure barley malt, choicest hops and filtered water. All imported lagers are "imitation beers," according to the Canadian Government definition.
