## DR. WOOD'S NORWAY PINE SYRUP

Always Stops the Cough

It combines the potent healing virtues of the pine tree with other absorbent, expec-torant and soothing medicines of recognized worth, is absolutely harmless, prompt and

A cough is caused by the presence of phlegm in the throat and lungs, and continued coughing is liable to distend the pronchial tubes, congest the lungs and produce inflammation or hemmorhage.

A neglected cough can have but one re-sult. It leaves either the throat or lungs, or both, affected.
