## UP TO SEMI-FINALS AT NIAGARA THREE TORONTO RINKS LEFT

Tytler of London, and Savage of Guelph, Have Unfinished Game—Play in Association and Consolation Competitions.

QUEEN'S ROYAL, Niagara-on-the-Lake, July 10.—A beautiful day greeted the bowlers on the second day of the Ontario Bowling Association tournament here to-day, and many spectators were on hand to applaud the good plays, some of which were really brilliant. The trophy competition has narrowed down to four rinks, J. J. Warren of Parkdale; J. S. Willson, Canada; J. Knox, Kew Beach; and either J. D. Tytler of the London Rowing Club or Dr. Savage of Guelph. The Warren and the Willson rinks look to be the strongest and will likely meet in the final, but the unexpected may happen, as it has earlier in the tournament, when what looked to be an exceedingly strong combination met defeat at the hands of comparative novices. The association and consolation matches are just nicely under way, but to-morrow night will find them near the end. A pleasing feature of the afternoon was the appearance of Prof. Goldwin Smith, on the lawn, and he thoroughly enjoyed himself watching the finish of some of the trophy games.

## TORONTO LEADS THE VAN BRONCHOS TRIM BISONS

Buffalo Has Traded Mickey Corcoran to Montreal for Hunter Hill—Notes.

Buffalo and Rochester were the only Eastern League teams to play yesterday, and, as the Bisons were unable to stand the strain, Rochester walked away with the game. Thus, thanks to the Bronchos, Toronto are again in first place by a narrow margin.  
Toronto begins a long series away from home at Newark to-day, and, as the Salts are now an easy third, the Bisons will have their work cut out. The Jays will also make the Bisons go all the way to win the series.  
President McCaffrey of the Toronto Baseball Club returned from New York yesterday, but it is not yet known if he will be at the game to-day. He is expected to be at the game to-day, but whether at first base or in the outfield is not known. The record is:

## GOLF Scores at Brighton Beach Races Begin

G. S. LYON AND F. R. MARTIN QUALIFY AT CLEVELAND

CLEVELAND, Ohio, July 10.—(Special.) The close this afternoon of the 36-hole qualifying round found two Canadians in the thick of the struggle for the national golf championship, to be fought out thru the rest of the week on the course of the Euclid Club. The two are George S. Lyon of Lambton and F. R. Martin of Hamilton, each of whom returned 160 for the 36 holes.  
The best honors of the day, the low medal score of the round, went to Walter J. Travis, the Garden City veteran of a thousand tournaments, who snatched it in the last putt from T. West, the young Princetonian. Travis turned in a card of 146, getting a 71 for his second round, which put him in the lead, and he will be the favorite to win the title.  
The gossip of the course is that Travis, twice winner of the American championship, is out to win this time and then retire.  
He has been playing for years, and while he will not admit his intention of retiring, he has had several offers from say-to-day that he has his heart set on another victory.  
When Travis yesterday, holder of the title, got into the select set of qualifiers to-day by some good golf. That was refreshing to his friends, who witnessed his bad reversal of form yesterday with sinking hearts. When play of the first 18 holes closed, he was outside the 32 favored players, but 10-day moved up with a steady stroke, so that he is now considered more than ever a candidate for the trophy, as his game has improved steadily with his knowledge of the course.  
The day was ideal for the game, and brought out some unusually fine golf. The 32 leaders were so closely bunched that there is every indication of close competition in the match play in the next few days. In the high-165, and 166 men made that.

## Elora Trims Fergus in Overtime Peterboro Were Walloped 15-5

Before Jury—Clement Apologizes—Lacrosse News and Gossip.

At Fergus yesterday in an Intermediate C.L.A. game Elora won from Fergus in extra time. The Rocks took the lead early in the game, scoring three goals in the first quarter. Fergus settled down in the second quarter and by the end of the third had five goals to their credit. Elora also scored two more up to this time. Neither side scored in the fourth quarter, and in two minutes of extra time Elora scored the winning goal. Harry Gillespie refereed. Score, 6 to 5.  
Hamilton will not have Jeff O'Brien or Andy Roche on their team Saturday. O'Brien has been let out, while Andy has a bad ankle and will not be able to play again this season.  
The two Shamrock lacrosse players, Howard and McIlwaine, who were recently arrested on a charge of assaulting two National men during the progress of a match between the two teams, appeared in court at Montreal yesterday and elected to be tried before a jury of their peers, and their cases will be heard at the September term of the Court of King's Bench. Bail was renewed.  
Beaverton and Peterboro met at Beaverton yesterday in the return game in district No. 10, and the result was a game of lacrosse worth going a long distance to see. The final score was 15 to 5 in favor of Beaverton, but the play was by no means one-sided, as the score would indicate, the game at all times being close and interesting. The game was clean, and was ably handled by Jack Kelly of Beaverton, who missed nothing and penalized strictly and impartially for any infraction of the rules.  
Stayer won a close Junior C.L.A. game from Meaford yesterday at Stayer by 9-8. At the half time the score was 3-2 in favor of the winners. Referee, Frank Doyle, Newmarket.

St. Mary's defeated Seaford at Seaford yesterday in a Junior C.L.A. game by 5-3.  
Tecnunies will hold their final practice to-night for their game with Montreal Saturday.  
Niagara Falls defaulted to the Royal Canadians of Brantford yesterday, while the Junior C.L.A. game scheduled at Brantford yesterday with Preston has been postponed till July 17.  
Madoc defaulted to Trenton yesterday in the Intermediate C.L.A. series.
