RAILWAYS AND "PATRIOTISM."

the chartering of 'a railway to the inter-

of transferring the smelting and other in

national boundary would have the effect

The C.P.R appeals to Parliament to dis-

allow the charter, on patriotic and na-

tional grounds. The Canadian railways,

the C.P.R. as well as the Grand Trunk, should be the last of all corporations to

raise the national and patriotic cry. Pa-

triotic sentiment finds no place in the management of our two big railways. The

favor of Portland, and the C.P.R. was

lately on the point of abandoning St.

John for Boston. An argument based on

industry that will be prejudicially affect.d

welfare should be the special considera

# A Special Purchase of Fine Shirts

These were the overmakes a well-known maker of high- London, England. Office. F. W. Large, agent, 145 Fleer-street, London, E. C. class Shirts had on hand. He cleared them o us at less clty at the news stand. St. Denis Hotel, than cost of production. That permits us to sell them at than cost of production. That permits us to sell them at less than half their regular value. You can get them on Saturday, when we sell:

708 Men's White Laundried Shirts, with fine pique bosoms and cuffs, the cuffs are attached and match the bosom which is a dainty, fancy-colored pique stripe or a white fancy pique cord, large bodies, cushion neckbands, sizes 14 to 17, the regular value would be \$1.50 each. Saturday our price will be.....

### Men's New Spring Styles in Hats.

We'll let our \$1.50 Hats represent the new styles we are showing in Men's Spring Hats. Not a complete assortment by any means, but enough to interest early buyers, are now on view.

These include both American and Eng-

lish blocks of stiff hats for early spring

wear. They are made of a very fine

flexible fur felt, trimmed with good silk.

The colors are black and brown, all sizes. Our Special Price is \$1.50.

No trouble to show these goods, even though you don't care to buy right away. Call on Saturday and get an idea of the correct spring shapes.

## Men's and Boys' Clothing

Clothing styles and qualities that the most particular dresser would be pleased with. Variety broad enough to meet every demand. Values good enough to satisfy the most economical buyer: "Your money back if goods are not satisfactory" is the guarantee that covers every Clothing sale we make.

On Saturday you can buy:

Men's Overcoats, single-breasted fly front, English beaver, in Chesterfield and box back styles, navy blue and black shades, velvet the proposed rallway will be the means and Montreal. Parliament should not waste much time in considering the patrictic argument when advanced by a soult liss miles north of here. Last night about 8.30 Sharpe drove to the Davis louse in company with othe Davis louse in company with two men, pushed open the door and and the box and said: "Don't do it. God his hands 'and said: "Don't d

of creating a big sale of Canadian colar in the United States. And this is admittedly a desirable object to attain. But it is claimed that by the transaction of this business the United States railways will offer such inducements in the way of cheap rates or otherwise as will influence Canadian mine-owners to send their ore to United States instead of to Can'adian smelters. If this argument means anything, it me'ans that the new line will give the whole province the benefit of reduced rates. It means that the competition argument means anything, it me'ans bill for retiring pensions to the permanent corps of the militia of Canada.

THE THIRST FOR INFORMATION.

THE THIRST FOR INFORMATION.

THE THIRST FOR INFORMATION.

The was objections to the institution. He was objected to granting any aid to the Sanitarium, he said, and the board would be doing wrong and creating a bad precedent if they recommended a per diem grant. The establishment did not meet the requirement of the Act, and did not commence to meet the needs of the city. It was practically only a boarding-house for consumptives, and if a grant were made other physically only a boarding-house for consumptives, and if a grant were made other physically only a boarding-house for consumptives, and if a grant were made other physical particular disease had just as much right to apply for assistance for any institution they might establish for the treatment of that disease.

Dr. Sheard also made the announcement

mentioned in the press, but most of them have failed of realization. One genuine project, however, is maturing, and we shall see it put into execution on the opening of navigation. We refer to the organization of 'a company in Chicago to establish a thru steamship service from that city to Europe, via the St. Lawrence. Four voes sels will form the line. They are all to be new and made to conform to the dimensions of the St. Lawrence Canal locks. Three of the ships are in the water, and the fourth is to be launched the beginning of next month. The verseis have 'all ready been named, and are to be known as the Northwestern, Northman, North town and Northeastern. The Northwester and sand saides.

The Morthwestern is to be made to conform to the dimensions of the St. Lawrence Canal locks. Three of the ships are in the water, and the fourth is to be launched the beginning of next month.
