W. H. HARMER SAYS
He Used Dodd's Dyspepsia Tablets and Was Cured of a Disagreeable Though Very Common Complaint.

Were you ever troubled with food and gas rising in your throat? Have you ever had an evening spoiled by the objectionable matter coming between you and an agreeable conversation? When it was the greatest of agony to keep it down and the height of bad breeding to do anything else?

Have you bewailed the fate that doomed you to such torture? If you did, you were wrong. It's not fate at all; it's your own stupidity. Others have been in a similar fix and have got out of it. How? Simply by using Dodd's Dyspepsia Tablets. They are so pleasant they are telling others about it every day. W. H. Harmer of Avonmore, N.B., is one of them. Listen to what he says:

"I was troubled with gas and food rising in my throat. Dodd's Dyspepsia Tablets stopped it. Others around here have used Dodd's Dyspepsia Tablets with equally good results."

He doesn't say much, but it is to the point. If you are troubled with gas or food rising in your throat, if you are troubled with any of the pains or discomforts of Dyspepsia, use Dodd's Dyspepsia Tablets and the relief will be speedy. The cure permanent.

HER FATHER WAS A DRUNKARD
A Plucky Young Lady Takes on Herself to Cure Her Father of the Liqueur Habit.

STORY OF HER SUCCESS.
A portion of her letter reads as follows: My father had often promised himself to stop drinking and would do so for a time, but then returned to it stronger than ever. One day I said to him, "I'm sorry, drinking. Our hearts seem to turn to stone, and we decided to try the Tasteless Samaria Prescription, which we had read about in the papers. We gave him the remedy, and he has not drunk since." The Tasteless Samaria Prescription, which we had read about in the papers. We gave him the remedy, and he has not drunk since.
