#### LONDON MINISTER MAY BE MODERATOR OF SYNOD THIS YEAR

Name Mentioned for Hamilton-London Office.

The name of Rev. J. G. Stuart of this city is prominently mentioned in connection with the moderatorship of the Synod of Hamilton and Londen for another year. Mr. Stuart has been commatted by the London Presbytery, and his name was up for this office a year

his name was up for this office a year ago.

The Synod of Hamilton and London, which includes a territory extending from Niagara Falis to Windsor, and from Lake Erie to the Georgian Bay, convenes in London in the First Presspyterian Church, Monday, April 29. It is expected the time-honored custom will be followed this year of opening with a sermon by the moderator, who is Rev. W. K. Shearer of Drumbo.

A special committee appointed has been successful in securing Rev. Dr. Shaller Matthews of Chicago to deliver two lectures before the synod on Tuestwo lectures before the synod on Tues

#### INTENSIVE SYSTEM OF GARDENING IS URGED BY EXPERT

More Than One Crop Should Be Grown On Land.

Backyard gardens, methods, and implements used, and garden pests, were nstantly traveling, Miss Menges and the subjects dealt with by Professor A. Constantly traveling, Miss Menges and Miss Beattle have evidently made time conscientiously for serious practice. The work of both last evening was marked by the absolute assurance, the perfection of finish that made it so artistically popler and brilliant execut- Lennan of the department of agriculture

The professor asserted that in order to save the wheat and meat for the allied armies, more vegetables must be grown for food. The boys were being these so coherently and clearly that even the unmusical listener and the dearly that even the unmusical listener areas in Canada and the United States are being drafted.

While the 1917-18 export licenses from the states even official sanction. The question to be decided is a many-sided one. The demands of the different areas in Canada and the United States must be grown for food. The boys were being organized, the laboring men were organized, the laboring men were organized and the United States must be considered when these are being drafted.

While the 1917-18 export licenses from the states of the states are successful. The professor asserted that in order pust grasp what she is endeavoring to figing in order to aid production. He

work. After the war Canada will need many market gardeners.

A generous share of the honors of the cita, were due Miss Elleen Beattie, nost sympathetic and capable of accoming anists. A couple of beautiful bouquets are presented to Miss Menges during the recital, which was given under the uspices of the First Presbyterian nurch choir. Today, Miss Menges is oing to play for the patients at the filitary Hospital at the barracks.

A. MINOR.

Werk. After the war Canada will need many market gardeners.

One must have some fondness for the work or he will not be successful, the speaker stated. The Chinaman is a first-class gardener because he likes the work. He thinks of every plant as a child and gives it care accordingly.

Three reels of moving pictures were shown, illustrating the methods of performing the various tasks in connection with the garden. Preparation of soil, transplanting the various plants, and the A. MINOR.

BUT FOUR RECRUITS

# BUT HIS LIFE IN

MARINE ACCIDENT

-regulates the Liver

Canadian in the Royal Navy Wrecked Off Irish Coast.

Another chapter in the naval career of of the late Lieut.
Col. Woodman
Leonard. He has served through a many of the big engagements of the war, but has come through unscathed.

Pte. James Rattew.

Another chapter in the haval career of "Ted" Rigsby, son of Rev. Walter Rigsby of Lambeth, who has been serving as an engineer in the royal navy, has been written. The Canadian of fewer-engineer has passed through a marine accident, the nature of which he does not specify, off the Irish coast, in does not specify, off the Irish coast, in which he lost practically everything in

his possession, but saved his life. his possession, but saved his file.

In a letter to his father, Mr. Rigsby assumes that the people here knew the particulars of the episode through which he passed. Comparatively few details are given as a result, although so far his father and friends are ignorant of the incident referred to. What happened this ship is unknown, but Mr. Rigsby wrote that it was a long, stiff pull before they were picked up.

In another paragraph he refers to the fact that he was in charge of the boat

and the paragraph he refers to the fact that he was in charge of the boat which went back and took off the captain and first lieutenant, later mentioning the fact that his oar had been doublebanked by the first officer. The coolness and courage of the senior officers of the vessel is praised unstint-ingly. Comment is made that had the vessel been anything but of sturdy Scotch build the return trip for the captain would have cost them all their

Ted Rigsby was home on leave shorty after the first of the year, and left canada in the middle of February to rewhether the sinking of his vessel was on the way back to England or after he re-

## New Corset Styles for the New Easter Gowns

#### Gossard Corsets FOR WELL-GOWNED

WOMEN. A genuine Gossard means more than a front-lacing corset; it means emphatically a perfect front, a smooth back, your all-day comfort. your safeguarded health; it means unusual wearing service, alone worth the price you pay, whether it be \$2.50, \$3.50, \$6.50 or \$7.50 a pair.

Youthful lines are enchanced and maintained by the proper corsets, and yet these corsets must provide ample security to the figure. Misses and young women require distinctly individual styles, which will be especially featured this week. Desirable corsets are exceedingly scarce, owing to the difficulty in securing the needed materials. Many have even doubted whether there could be many kinds of corsets this year.

The "Gossard" presents authoritative models with the preferred bust lines and long over the hips, at these very moderate prices, \$2.50 to \$12.50. They lace in front.

MODEL 250-This Gossard has a medium low bust, rather straight in outline, lightly boned, and a long enough skirt with elastic section in back to corset the figure splendidly from the waist down; exceptional value at the price. Price . . \$2.50 pair MODEL 379-An excellent-fitting corset for medium and stout figures, made of substantial coutil, with elastic section in back. to give perfect freedom of movement, Price ..... MODEL 667—This model, developed in a fine mercerized figured broche, will completely corset the woman with full, long hips,

holding the figure to those straight lines demanded by this season's style, medium low bust, smartly indicated waistline and MODEL 781-Developed in a delicate silk-figured batiste, with low bust, natural waistline and long skirt. This model has extra height at the back to take care of the figure with extra flesh at the shoulder blades; three elastic sections in skirt assure Gossard models from ......\$2.00 to \$12.50 pair
