ALL ALIKE THEY'RE steady. higher. Ennis

Set any number of Massey-Harris Cream Separators side by side, test them in actual work and you will find them all alike—they all do perfect work. Every Separator is carefully inspected and thoroughly tested before leaving our factory. Every one must be in perfect work-ing order before it is permitted to go out.

The users of Massey-Harris Cream Separators are all alike in one respect—they are all of one mind regarding the uniformly good work done by these machines; their easy turning; freedom from danger; con-venience of filling, owing to the low supply can; their simplicity and disphility. durability.

There is another respect in which these Separators are all alike-all parts are perfect duplicates, being made by the most improved ma-chinery built especially for this work. If a part becomes worn from long-continued use, or broken by accident, you can be sure of securing an exact duplicate to replace it.

Large Map and 90-Page Book Free Our map shows each and every section we own. It gives you a true pleture of our holdings. It shows just how we selected the most Yertile and best located acres available in the entire Province of Saskatchewan. It shows how ideally the lands are situate—how near Regima, how convenient to Winnipeg and the grain and stock markets, and the excellent railroad facilities. Free. Write for the map to The Saskatchewan, Canada. Our book is a storehouse of information on Western Canada grain lands. Contains ninety pages, and many faithful photographs of land,

crops, homes, and features of interest in the heart of Saskatchewan. It lists all our property by quar-ter sections. Free. We want to send it to you. Write for it to The Saskatchewan, & Western Land Co.'s office in Regina, Saskatchewan, Canada.

The Saskatoon and Western Land Oo.'s Land is Extra Choice Grain Land. You Get Title From the Grown —An Indisputable Title

-An indisputable Title The Saskatoon & Western Land Co., Ltd., had the pick of 3,000,000 acres of best Saskatchewan prairie lands. We took in our grant extra choice acres—not all in one continuous piece, but a sec-tion here and there, so as to get the most fertile, the deepest soil, ground free from boulders, with best water, near railways—in fact, land ready for the plow, ready to yield the golden harvest and make profits from the very first. Think of it! 250,000 acres of these lands to be offered at public auction.

THE AUCTION

THE AUCTION The Saskatoon & Western Land Co.'s suction will be held at Regins, Saskatchewan, Canada. No-where else. It will be held in The Saskatoon & Western Land Co.'s own pavilion-nowhere else. It will be held Oct. 12, 13, 14, 15, 16, 17. Remember those dates. Don't get there late. Be on hand early. Don't buy, under any circumstances, of any-one until the auction is on-ne matter what you hear. The Saskatoon & Western Land Co.'s land is extra choice. Don't take somebody else's word that they have land "just as good." This land was especially selected—lis title is from the Crown. The terms of payment will be the fairest. You will be dealing with a wealthy com-pany that will always stand behind every promise and give you the most liberal treatment you can ask.

TERMS 10 per cent. of the purchase price at tim sale, balance of regular first payment of \$3.00 acre in ten days, remainder in eight equal an installments, with interest at 6 per cent. Su fees of 10 cents per acre, payable with last ins ment and without interest.

Upon a parcel being knocked down, the bidder shall immediately make the deposit of 10 per cent. of the purchase price with the Clerk of. Sala Otherwise the parcel may be put up again or with-drawn from sale.

BUYERS

One Grop Will More Than Pay **For the Land**

Figure it out yourself. The average Saskatche-wan yield is: Wheat, from 20 to 25 bushels per acre; Oats, from 30 to 45 bushels per acre; Barley, from 20 to 30 bushels per acre—and so on.

Free Railroad Fare to Buyers

Every purchaser of 160 scres or more of The Saskatoon & Western Land Co's land will have the entire price of his railroad transportation paid back to him. You buy your ticket on the very low homeseekers' rates all the roads give, and we pay it back. That is an inducement for you to come to the suction and to huy now. When purchasing your railroad ticket, get a regular railroad receipt from the railroad agent showing the point from which you start and the amount paid also the name of the railroad com-pany, the date purchased and the signature of the railroad agent.

Railroad Rates, Excursions, etc.
