City Water Again Unfit to Drink Quit It--Drink PURE Water

Not even boiling will make Toronto city water really fit to drink nowadays. Yet nothing else matters so much to your health, and your household's, as the purity of the water you take into your system. KNOW—know absolutely—that the water you drink IS pure. You can know that about YORK SPRINGS WATER -for the foremost scientific authorities of Canada certify that

York Springs Water Is of Extraordinary Purity

Analyst: "My analysis of York Springs Water as it issues from the Springs shows it to be of an undoubtedly high degree of purity from a sanitary standpoint, and ABSOLUTELY SAFE TO DRINK."

THOS. HEYS & SON. Assay and Analytical An-"Our analysis of York Springs Water, purchased in the open market, shows this sample of water is of EXTRAORDINARY PURITY."

When you can be certain that York Springs Water is the water that is SAFE to drink, you cannot afford to run your household, your office or your factory without it—especially when it costs so little,

RIVAL TO CANADIAN

Governor Hughes Approves a Plan Calling for the Expenditure of \$2,000,000 at Syracuse.

Syracuse, with its 130,000 of a population, is making great efforts to catch un to Toronto in the matter of an exhibition. Dr. Orr, manager of the Canadian National, was in Buffalo on Thursday interviewing leading railway men regarding transportation arrangements for next year. While there he came across Hon. A. E. Perren, director-general of the New York State Fair at Syracuse, who not only said he had expectations of securing two million dollars from the state legislature, but also that he already legislature, but also that he already had the warm approval of Governor Hughes, a likely candidate for the White House, by the way. Mr. Perrer made no secret of the fact that he had used the success of Toronto exhibition as a lever towards the accomplishment of his aims. He said that he had already received ten though the said deliver to be expended in the that he had already received ten thou-sand dollars to be expended in the preparation of plans. He had used a large portion of this money in encour-aging a competition among architects of the state, all of whom had been invited to send in plans and designs for prizes of \$1500, \$500 and \$250, the right at the same time being reserved to buy any of the plans for \$200 apiece. Some fifty or sixty plans were sent in and first prize was awarded to a some fifty or sixty plans were sent in, and first prize was awarded to a prominent Buffalo firm of architects.

Mr. Perren invited Dr. Orr to inspect these drawings. They proved to be of a very elaborate description—up to a world's fair standard in fact. They provided for all the buildings to be so grouped that visitors could pass from one to the other without once going into the oner. An open air theatre a one to the other without once going into the open. An open air theatre, a stadium, a covered arena for judging live stock, a mile track, a half-mile track, separate groups of stables for race horses and show horses, and show rings are also arranged for, besides half a dozen exits and entrances allowing for loading and unloading right at the gates on the one side from right at the gates, on the one side from the New York Central, and on the other from the Delaware and Lacka-wanna Railroad. Mr. Perren stated that on one day this year, and there is no evening performance, the admissions numbered 63,000. He also stated that \$45,000 was distributed in of the Toronto fair is very instruc-tive." Dr. Orr thought all this was a pretty straight hint to the people of Toronto that if they wished the Cana-dian National to retain its pride of place, not only must an eastern en-trance be provided forthwith, but also
