WILL CIRCLE GLOBE IN AN AUTOMOBILE

Mr. and Mrs. Hover, of Spokane, to Take a 70,000 Mile Tour.

Spokane, Wash., Nov. 15—Mr. and Mrs. Herbert A. Hover, members of the Spokane Motor Club, who completed in New York, November 8, the first leg of what is conceded to be the longest automobile trip ever attempted, are in Spokane, making ready for a journey of 70,000 miles through Europe, Asia and Africa. They will sail from New York for Algiers, January 22, and pass the winter touring in Algeria, Tunis and Egypt, penetrating the Sahara Desert as far as Biskra. Crossing to Italy in the spring, they will devote three years to motoring across every country in Europe at least one way, also visiting western Siberia.

The homeward trip will begin in 1911 by crossing from Turkey into Palestine, where the car will be driven to Jerusalem and back to the coast, taken thence to India, China, Japan, the Philippines, Australia, New Zealand and Hawaii. They will sail from Honolulu to San Francisco in the winter of 1912, driving thence to Spokane, and by that time they will have covered more than 75,000 miles, some of it in districts where an automobile has never been seen before. They will use a four-cylinder, 30-horse power car.

The Hovers left Tia-Juana, a small village in Mexico, below Los Angeles, April 11, and crossed California, Washington, going north to the British line, Oregon, Idaho, Wyoming, Colorado, Nebraska, Iowa, Illinois, Indiana, Ohio and New York, crossing the international boundary at Niagara Falls, and dipped the wheels of their car in the Atlantic at Long Beach, L. I., Nov. 8. They covered the distance of more than 7,000 miles with a two-cylinder, 20-horse power car. No attempt is being made to break records, other than those for long distance driving.

Another Case in Glendive

Glendive, Nov. 25—Mrs. Chenoquith makes the 4th case of lung trouble cured this week by Catarrhozone. A bad cold settled on her lungs and resisted all treatment, but "Catarrhozone" cured the soreness and irritation in a few days. Local druggists report the sale of Catarrhozone is enormous. It has great merit and quickly cures colds, bronchitis, lung troubles and catarrh. Two months' treatment costs one dollar and is guaranteed; sample size twenty-five cents at all dealers in medicine.

DECISION ON THE LIQUOR LICENSES

Hon. C. N. Skinner Says Supreme Court Decides They Must be Governed by Ward Population.

Hon. C. N. Skinner, who returned yesterday from Ottawa where, with A. O. Earle, K. C., he represented the liquor license commissioners of St. John before the supreme court in the appeal of Blaine vs. Jamieson as to whether the commissioners are limited to issuing a certain number of licenses in each ward or may locate them where they choose, said the effect of the decision, which was announced yesterday, was that the commissioners would have the power to place only a certain number of licenses in each ward, according to the population. The commissioners adopted that course this year and unless legislation was obtained the new system would no doubt continue. While the supreme court could not deal with the case he believed the opinion of three of the judges was in favor of licenses being granted to any part of the city provided the legal limit of seventy-five was not exceeded.

COL. McLEAN SPEAKS OF THE GIBSON MILLS

Col. H. H. McLean, M. P., who on Tuesday was elected president of the Gibson Manufacturing Company in succession to Alex. Gibson, Sr., the lumber king of New Brunswick, who retires at the age of eighty-nine, said yesterday that there would be no new policy adopted in carrying on the company's business. Alfred Rowley, who was re-elected manager at Monday's meeting, has held the position for many years.

Col. McLean in a hearty tribute to Mr. Gibson, said "he is one of the greatest men we ever had in New Brunswick, and his energies and wealth have always been devoted to developing the industries of this province. He has not locked up his money, but has put it in works which give employment to the people. He built up the village of St. Mary's, the large cotton mill there which employs so large a number of people resident in the vicinity, and he also built the Canada Eastern Railway and the New Brunswick Railway."

When asked about the negotiations carried on by C. S. Baxter, of Boston, for a syndicate to purchase the Gibson lumber interests, Col. McLean said that nothing further had developed.
